Pursuant to KRS 158.033(4), eligibility for home or hospital instruction for students with disabilities shall be determined by the Admissions and Release Committee (ARC) and shall be provided pursuant to the Individualized Education Program (IEP). The ARC chairperson shall provide written notice of home/hospital placement to the local Director of Pupil Personnel (DPP) for purposes of program enrollment using the form in section IV of this application. 702 KAR 7:150.

Pursuant to KRS 159.030(2), before granting any student an exemption from compulsory attendance, the board of education of the district in which the student resides shall require submission to the board of satisfactory evidence in the form of a signed statement of a properly licensed physician, advanced practice registered nurse, physician's assistant, psychologist, or psychiatrist responsible for diagnosing and treating the child, stating that the diagnosed condition of the child prevents or renders inadvisable attendance at school and requires home or hospital instruction. On the basis of such evidence, the local board of education may exempt the student from compulsory attendance.

A student with a recurring condition, which results in periods in which the need for home or hospital instruction is intermittent and the student is able to attend school for short periods, may be exited and reentered on home or hospital instruction, and the following shall apply:

- (a) Initial approval by the Review Committee shall be required;
- (b) The Review Committee shall review the need for an alternative schedule of services based on verification by the professional statement in the application for home or hospital instruction of the need for intermittent services;
- (c) If a health professional who completed the initial application for a student to be served on home or hospital determines the student needs additional time for services, the health professional shall submit a written statement, either mailed or faxed, to the Director of Pupil Personnel, requesting additional time up to two (2) weeks for services

and provide a brief explanation for the extension;

- (d) The Review Committee shall meet to review this extension and either approve or deny the request for an extension, prior to provision of any extended services;
- (e) The Review Committee shall review intermittent placement at least every six (6) months, and at that time a statement from a second professional, shall be required by the Review Committee for continued program eligibility; and
- (f) The parent or guardian shall notify the principal or Director of Pupil Personnel prior to the need for school reentry or to exit to home or hospital instruction.

Pregnancy is not considered a physical or health impairment in and of itself, and the nature and extent of any complication shall be delineated prior to consideration of home or hospital instruction for this condition. 702 KAR 7:150.

For students receiving home or hospital instruction pursuant to a determination by a Home or Hospital Review Committee, eligibility shall cease if the student works, plays sports or participates in extracurricular activities. 702 KAR 7:150.

RELEASE OF INFORMATION

I understand that if the Home/Hospital Review Committee makes the determination of placement for this student, they may request a review of the information provided on these forms by local health personnel. I hereby authorize this committee to have access to pertinent information regarding this request. I understand that if the Admissions and Release Committee makes the determination of placement for this student, they will have access to all pertinent information regarding this request.

Parent Agreement for Home/Hospital Instruction

1. A responsible adult must be present in the home/hospital room during the time the Home/Hospital Teacher is present.
2. The Home/Hospital Teacher meets with the student a maximum of two hours per week for individualized instruction. Absences are unexcused unless pre-arranged and the time rescheduled with the Home/Hospital Teacher during that same week.
3. A student with a communicable disease, as verified by a health professional, shall be eligible for the Home/Hospital Instruction Program. However, should the student's condition pose a serious health threat to the Home/Hospital Teacher, the student may receive alternate instruction such as correspondence, computer-assisted instruction, or video during the period of contagion.
4. Please check with your child regarding completion of required daily assignments in order to be ready for instruction at the next designated time.
5. Please provide a suitable work-study area where student and teacher can work with no interruption (for example: CD, tape player, and TV turned off). The area should be clean, neat, and free from household traffic.
6. Other children, visitors, or pets should be kept out of the room so that the teacher will have the student's full attention.
7. Arrange for the child to have sufficient rest and to be ready for work when the teacher arrives at the home.
8. Complete the Application for Home/Hospital Instruction, including release of medical information to school officials.
9. In addition to the scheduled weekly home/hospital instruction, the student will work independently to complete assignments.
10. Home/Hospital Instruction shall cease if a student works or participates in athletic activities.
11. Home/Hospital Students are not eligible to attend or participate in any school sponsored events or extracurricular activities.
12. Student must participate in state mandated testing, in person, if physically able. If the student is able and does not participate, homebound services will be revoked.

I agree to abide by the above requirements and grant permission for this child to receive home/hospital instruction.
