

SENIOR SCHOOL - Senior Science

ABOUT KINGSWAY COLLEGE SCHOOL (KCS)

A rare opportunity is opening up for an exceptional educator. With much excitement, KCS has extended the vision and impact of our elementary school. We've developed a distinctly enriched [secondary program](#) and are seeking a Senior Science teacher who wishes to join our school as we begin year two at our Lake Shore Senior School campus. Teaching responsibilities will include a combination of some junior science with one or two of Grade 11 Chemistry, Physics and Biology. We are a growing school and this candidate will be instrumental in growing the science program.

We are continuing to build the foundation of our teaching faculty and seek someone who is passionate about this subject area and motivated to build a program from the ground up.

Candidates who have experience in standards-based assessment and evaluation; a teaching style aligned with experiential, place-based learning; and an evident record of leveraging student strengths, talents, and passions in peak learning will find this opportunity notably rewarding.

As a member of the Conference of Independent Schools of Ontario and Canadian Accredited Independent Schools, KCS represents exceptionally high standards of excellence. You'll be part of a collaborative, caring team of professionals who are dedicated to our passionate community.

YOUR OPPORTUNITY

This is a permanent position. KCS offers an excellent compensation package upon hire. Your anticipated start at KCS would be August 2023.

YOUR CORE RESPONSIBILITIES

1. Engage as a collaborative, flexible, co-creator of a school experience that delivers extraordinary learning and growth
2. Design and lead instruction
3. Serve as a Faculty Advisor to a group of students over their four years of secondary school.
4. As one of your dedicated teaching lines you will participate in the Advisor and [KCS Path Program](#), supporting student-driven learning
5. Lead and/or support a minimum of 2 clubs and teams per year.
6. Participate in our KCS By Design student leadership program
7. Assist with school-wide events
8. Engage in ongoing professional learning, and share that learning to support achievement of the mission
9. Work with the Head of Senior School and Assistant Head of Senior School to establish a community where all demonstrate the [KCS Habits of Mind, Body and Action](#)
10. Work according to the standards in the KCS Habits of Mind, Body and Action
11. Other duties as required

YOUR QUALIFICATIONS

Requirements

- Bachelor Degree in Science with a Bachelor of Education Degree in at least one of Chemistry, Physics or Biology.
- Extensive record of professional learning, both formal and informal
- School-based experience, including secondary school
- Strong in community-building, communication skills, critical thinking, initiative, flexibility, and attention to detail
- Enthusiasm for the KCS mission and vision, including how they are being realized in the Senior School.
- OCT qualifications are an asset.
- Experience outside the educational sector is also viewed as an asset.

YOUR APPLICATION

Thank you for your interest in joining the KCS team!

KCS is committed to fostering an inclusive, equitable and accessible environment. We encourage all qualified candidates to apply. Upon request, accommodations are available for applicants with disabilities throughout the recruitment process.

KCS is a member of the Ontario Teachers Pension Plan. We thank all candidates for their applications; however, only those selected for an interview will be contacted. For more information on Kingsway College School, please visit www.kcs.on.ca

Please confirm your interest in this position by submitting your combined resume and cover letter in a single pdf with the following as the **file name and email subject line**:
