I PARTICIPATED IN THE 2023 ISI
SLIDE-A-THON
an International School of Indiana Student Event to benefit the Annual Fund. The Annual Fund provides resources to ensure programs remain accessible to a diverse group of students and more! Through Slide-A-Thon, we hope to leave students with an understanding that no matter one’s age or how much money one contributes, by working in collaboration with other people, each of us can make a meaningful difference.
