

TENTATIVE
Science Teacher in Secondary School
DP Chemistry and/or DP Biology
(Ref. Code 2023-036)

Position Summary:

Teacher of Science in Secondary School

Responsibilities:

- Teach Science in grades six through twelve
- Communicate and meet with parents
- Record and share with parents assessment data at regular intervals during the school year
- Collaborate with colleagues from within and outside of the Science department
- Engage in professional development
- Participate in departmental and other meetings
- Create and update unit plans and place them in the appropriate location

Qualifications:

Applicants must have suitable subject and teaching qualifications. Significant experience teaching the MYP and the IB Diploma is preferred. The ability to teach Chemistry and/or Biology is required. Training in current methodology in the teaching of both native- speakers and second-language learners at the Secondary level is preferred, as is some experience or familiarity with ManageBac.

We are seeking applicants who are familiar with data-driven decision making or a willing mindset to learn how to do so and who are knowledgeable in concept-based teaching and learning methods. We seek an educator who welcomes the challenges of in-person, online, and hybrid (combination of in person and online) teaching and learning in all of its permutations.

Terms of Employment:

- Starting date is 1 August 2023
- The position is initially limited until 31 July 2024
- The position is a full-time position

Interested applicants should send a letter of interest with a current CV indicating the above-mentioned position including reference code to HR@ishamburg.org
