Statement of Understanding

I understand that the Spanish Immersion (SI) Program provides a language and cultural experience for students to learn both English and Spanish, with a focus on the target language (in this case, the target language being Spanish.)

I understand that the SI Program trajectory means my child will receive additional curriculum in Spanish, but may not receive all the same English curriculum as PPS peers.

I understand that the success of this program is dependent upon continuous enrollment through fifth grade and that children enrolled in the SI Program will remain together in kindergarten-fifth grade.

I understand that my child will participate in the same district curriculum-based testing and state testing as any other student in our district.

I understand that the SI Program at Lyseth is still being iterated on, and is currently a dual language/immersion model where all math is in Spanish, reading/language arts is in English and Spanish, and that music, art, and PE will be taught in English.

I understand the [lottery and enrollment priorities](#) posted publicly on the Lyseth and PPS website. I understand that if the number of applications exceeds the number of spaces that a lottery will be conducted.

I understand that if I move out of the City of Portland, I will forfeit my placement in the SI Program and at Lyseth.

Parent/Guardian Signature \_\_\_\_\_ Date \_\_\_\_\_

Printed Parent//Guardian Name \_\_\_\_\_

***Please return this completed form to Lyseth Elementary by June 2nd, 2023***
