**2.0 – QUESTIONS AND ANSWERS**

The following questions and answers are provided as a matter of information to clarify issues raised about the RFP. To the extent that changes to the RFP are required based on the questions received, the RFP has been modified as noted above in the RFP section of this Addendum.

Item	Question	Answer
2.1	1) Item #7 – Fee Proposal (page 7 of 9 of the RFQ/P): Does the District have a format we might refer to?	No, we do not. Please refer to the RFQP for the required information to ensure responsiveness.
	2) Under section 3 of the RFQ ‘Relevant Qualifications’, we are asked to describe our experience with K-12 “and other school projects” Since Community College Districts must comply with the same DSA requirements and most of them offer classes and curriculum for high school students on campus, will the Fremont School District accept community college projects listed in this section?	Our priority would be to first review experience in a K-12 setting, if you do not have this you may choose to list Community College experience.
	3) Is there any chance you would consider extending the deadline 2 weeks?	Please see above section 1.0. We can extend the deadline by 1 week to May 22, 2023.
