Providing Licenses for Family Use

The department of Language and Cultural Equity is proud to announce, Rosetta Stone Licenses are now available for parents, guardians and families. We would like to support APS families with language learning and have a variety of languages available including English (priority will be given English Learners), Italian, French and many more options.

Licenses are limited and available at a first come, first serve basis to APS parents who are served by an APS Family Language Center site.

How do I request a license?

Please contact your child's school to request a Rosetta Stone License. Any school staff member can request a Rosetta Stone License on your behalf by completing the Rosetta Stone License Request form.
