### About St. John's Prep

St. John's Prep is an inclusive, Catholic, Xaverian Brothers Sponsored School for young men in grades 6 through 12. Founded on the Xaverian values of compassion, humility, simplicity, trust, and zeal, we educate students to be, do and stand for good in the world. We enroll approximately 1,500 students from more than 90 communities in Massachusetts, New Hampshire, and Maine.

### Position Overview and Responsibilities

St. John's seeks a long-term, high school substitute mathematics teacher to cover a family leave from October 30, 2023 to January 30, 2024. Mathematics faculty members in the High School at St. John's teach five sections and may be assigned an additional supervisory duty. Classes meet five times within a seven-day rotating schedule.

We seek a teacher who promotes curiosity and inquiry among students, engages all learners, uses technology as a vehicle for learning gains, and works with students to connect content to the real world in the classroom setting.

All members of the faculty are expected to give witness to our mission at St. John's. In addition to classroom teaching responsibilities, we encourage all members of the faculty to be involved in the life of the school beyond the classroom through a wide range of co-curricular, intramural and interscholastic programs.
