

Summer Food Service Program 2023

Dear Parent(s) or Guardian(s),

Summer is coming soon. You may be thinking about what your child will do for meals while school is out. The good news is that the U.S. Department of Agriculture partners in your local community to serve free meals. It's food that's in, while school is out. There are no income requirements, and any child 18 years and younger may come to eat. Here is the information about your local Summer Food sites:
