

# May is Mental Health Awareness Month

**Wear purple on May 17th and bring in \$1 (if you choose) to support the Hartford HealthCare Purple Light Project.**

The Purple light Project provides basic human needs to patients across Connecticut seeking treatment in the Hartford HealthCare Behavioral Health Network. Together, we can decrease the stigma of mental health needs and help our neighbors.

To make a direct donation please visit the Hartford HealthCare philanthropy webpage at <https://Giving.hartfordhospital.org/purple-light-project>

Questions contact Erica Moura, [Erica.Moura@hhchealth.org](mailto:Erica.Moura@hhchealth.org)
