Energy Drinks and Cigarettes

Energy drinks have been growing in popularity, particularly amongst children, for several years. A new government study has found that as many as one in three children in the UK are consuming energy drinks weekly, while some are drinking them nearly every day. The study warns that the drinks could affect behaviour, and those children who drink them more often may develop issues such as headaches and sleep problems. There are fresh calls for parents to educate themselves on the dangers of these drinks for children following the hospitalisation of a child over the weekend.

FYMS Corner

Just 8 more sleeps to go until FYMS May Fair 2023! Thank you all so much for your incredible tombola donations this year. Congratulations to our programme competition winners, **Matteo, George, Jacob, Grace, Ayla, Maggie, Annabel, Jessica and Isadora**. You can catch a sneak peek of their designs on our Facebook group and programmes will be available on the day.

Please could we ask that all unsold raffle tickets are returned to Jo and PJ on reception by **Monday 15th May**. We will announce the winner of the Smyths voucher for selling the most tickets at the fair. Raffle tickets will still be available to purchase on the day of the fair up until the time of the draw at **2pm**.

You can still pre order your tokens for the fair and get 10 for the price of 9 when purchased in advance via our website. You can also book your child's ticket to the end of year parties at the same time.

Here's a [reminder of the fun](#) we had last year and our success was purely down to the incredible volunteers we had before, during and after the event. There is still time to help support your year group stall or donate some time to one of the FYMS activities. Just let your year group reps know or email fyms@mail.com

So keep fingers crossed for good weather and we look forward to seeing you on **Saturday 20th May**.

Gardening Club

This week at gardening club the children checked on their potatoes, and planted tomatoes, strawberries and lettuce. We also added to our compost bin and checked the growth on the wildflowers! We have lots left to plant, including courgette, pumpkin, herbs and flowers. Although rainy and muddy this week, the children loved getting stuck in.

A Party Fit for the King

Last Friday we were blessed with dry, almost summer-like weather for our Coronation Party on the lawn. It was wonderful to see so many families and friends join us to celebrate. Community is one of our six Core Values and it was very much evident on Friday afternoon as we relaxed in the sunshine, listening to Sophie Ross play a variety of classics from Adele and Guns 'n Roses, to name but a few. The ice cream vans were very popular, as was the drinks tent. Thank you all for coming and we look forward to further opportunities to get together in the future. More photos of the event can be [found here](#).

Speech Day 6th July 2023

We are very much looking forward to Speech Day on the final day of term on the Headmaster's lawn. Children from Year 1 upwards will all be attending the event. There will be no after school bus service. As we are expecting a large number of people to attend, families are advised to book tickets in advance. Tickets will be made available shortly.

Year 3

This week in Cookery, as part of our Romans topic, the children have learned how to make Dormice also known as Glis Glis. The Romans ate them as a delicacy dipped in honey.
