Announcing the Savannah Grove Elementary School

Little Library

Little free libraries are located around the world. They promote literacy and a love of reading. They provide a way to form partnerships with the community. Now, a new Little Free Library at Savannah Grove Elementary School will join the movement to share books, bring people together and create communities of readers. This is a great way for your child to have access to books, even when the libraries are closed.

Here's how it works during COVID!

- We stock the Little Free Library with a variety of books.
- You stop by, and take one book that catches your eye.

The Little Library is located in front of the school near the carline exit.

Take a book. Read a book. Love a book.
