

Concussion Academic/Athletic Plan

Parent/Guardian Instructions: Please have your physician complete this form once it is established that the student has sustained a concussion. Remember to also attach a Doctor's Note (on doctor's letterhead) to this form. Please return this form to...

Functional Limitations

1. How is the student impaired?
2. What school activities can the student not complete?
3. When can the student safely attend school?

ONCE THE STUDENT RETURNS TO CAMPUS:

Academic Accommodations

1. What signs/symptoms should the school watch for, in order to ensure ongoing safety for the student?
2. Are any specific accommodations warranted? This includes limits on the amount of reading, writing, and computations.
3. Give an estimated date that the student can return to regular academic activity without accommodations.

Athletic Accommodations

1. At what level can the student engage in sports now?
2. By what date can the student return to full participation?
