BUSINESS/ACTION ITEM

18.1 Bus Mitigation - Tesoro Grant

In 2015-16 Tesoro Refining and Marketing LLC (Tesoro) approached the District regarding a \$1 million grant to purchase natural gas fueled buses. This grant came about through the suit brought by the United States of America, The State of Alaska, The State of Hawaii, and the Northwest Clean Air Agency as Plaintiffs and Tesoro Refining & Marketing Company, LLC, Tesoro Alaska Company LLC, Tesoro Logistics, L.P., and Par Hawaii Refining, LLC as Defendants.

A condition of this lawsuit settlement was that Tesoro make grants such as this one which involves replacement of conventional diesel school buses with more efficient and eco-friendly natural gas.

Over the past few months discussions have occurred between Tesoro representative and Larry Schoenke, General Counsel and Wayne Oetken, Interim Chief Business Officer which has resulted in the School Bus Replacement Mitigation Project Contract which is attached for consideration of the Board. This grant is clearly in the best interest of the District and will result in retirement of 4 buses from the fleet which are very old with extremely high mileage.

Staff has and will again express appreciation to Tesoro for this grant.

Mason moved, Lawrence seconded, and the Board voted 5-0-0 to approve the School Bus Agreement between Tesoro and Mt. Diablo Unified School District.

18.2 Award of Request for Proposal #1755 District Wide Copiers

Request for Proposal (RFP) no. 1755 was answered by seven companies of which five (5) were invited to participate in extensive real world testing of five brands of copiers. Print Shop staff physically evaluated and tested the submitted copiers and rated the best performing copiers which was weighted at 40 percent of selection criteria. The other major factor at 25 percent was the cost of a five-year monthly contract. The lowest responsible bidder is KBA Docusys Inc. for the total of \$1,203,425.05. Our current contract is expiring at the end of 2016 with the new contract starting the first of the year in 2017.

The successful bidder will furnish 81 rental replacement copiers with full service maintenance agreements at various sites throughout the District in accordance the terms, conditions, and specifications of the RFP. KBA Docusys scored 98.6 out a possible of 100 points, and comes in at \$5,000 less per month than the previous contract. The copiers come with faster speed, better scanning quality, and features like 3-hole punch, and USB ports on an even more robust chassis.

The cost for the first year is \$240,685.01 for the copiers and maintenance agreement.

Mason moved, Oaks seconded, and the Board voted 5-0-0 to approve the Award of Request for Proposal No. 1755 - District Wide Copiers to KBA Docusys.

18.3 Rescission of RFP #1754 Fresh Produce for the Food Services Department awarded to Daylight Foods

On August 8, 2016 the Board awarded RFP #1754-Fresh Produce for the Food Service Department to Daylight Foods for the 2016-17 school year. Initially, their performance was acceptable. Soon after school began, serious performance deficiencies occurred. The deficiencies related to package sizes, delivery logistics, inferior product, quantities and quality of produce and fruit.

It would be in the best interest of the District to rescind this award and re-award to the next responsible bidder meeting specifications.

Lawrence moved, Mayo seconded, and the Board voted 5-0-0 to approve to rescind BID Award #1754 To Daylight Foods, increase the budget by \$40,000.00, and re-award the bid to the next responsible bidder meeting specifications, Fresh Point.

18.4 High School Designation for Diablo View and Pine Hollow Middle Schools

Open Enrollment has started within Mt. Diablo Unified School District. Pine Hollow Middle and Diablo View Middle School attendance areas do not have a designated district high school assignment. This item is intended to clarify student assignments for 2017/18.

Public Comment:

Christy Paloutzian inquired what additional information the Board was considering since the last action taken on this subject. She shared her concern that if another high school, such as Concord High, be designated as the assigned school, students would apply for an intradistrict transfer.

A.J. Kohn asked what the total capacity of Northgate is and what would happen if more people transfer in to the school in the future. He requested information about capacity, class-sizes and trends.

Gina Haynes expressed her concern that no analysis was presented for this item and that no staff recommendation for a decision was indicated. Ms. Haynes shared that she has conducted travel time studies from the Montecito area and shared those times with the Board. She urged the Board to consider Concord High, Ygnacio Valley High, or Mt. Diablo High as the designated high school.

Elisha Sanchez requested the Board make a decision for those students living in the Montecito neighborhood this evening when considering the item before them.

Linda Loza spoke about the lack of information to make an informed decision on this topic.

Katie Pierceall read an email sent which shared her concerns about additional students at Northgate High School.

John Mannix shared that Northgate is currently overcrowded and traffic is terrible and these factors should be considered.

Melissa Sunbury shared she has been following this item since it was rescinded in May, and attended the meeting October when this item was presented for information. She inquired of the Board, which specific steps they have undertaken to further educate themselves on the topic.

Emily Johnson shared her concerns about crowding at Northgate, the number of students potentially coming from Clayton and Clayton Valley Charter, and the impact this might have on Northgate.

Eric Gelston stated that there was not enough supporting information on the docket in order for a decision to be made.

Denise Pursche shared her concerns about enrollment capacity at District high schools and traffic concerns. She requested the decision of undesignated so that students have the ability to fill out the transfer form to attend any of the other high schools.

The Board engaged in a lengthy, detailed discussion. Board members shared their considerations and concerns regarding this item. Dr. Meyer and Dr. Stuckey-Smith answered questions posed by Board members.

At 10:23 p.m. (approximately), President Hansen asked for a motion to extend the meeting. Mayo moved, Oaks seconded, and the Board voted 5-0-0 via voice vote to extend the meeting until 11:30 p.m.

Hansen moved, Mason seconded, and the Board voted 3-2-0 (with Lawrence and Mayo dissenting) to approve that parents and their students in the Diablo View and Pine Hollow Middle School attendance areas be granted resident status rather than unassigned status by selecting one of the following high schools as their home high school: College Park, Concord, Mt. Diablo, Northgate or Ygnacio Valley, taking into consideration classroom space and classroom size beginning with this year's 7th grade students.

FUTURE AGENDA ITEMS

President Hansen announced the Board will be meeting jointly with the City of Pleasant Hill on February 6, 2017; with the City of Clayton on March 6, 2017; and with the City of Concord on May 1, 2017.
