

Wilson Elementary School  
6th - 8th Grade AVID Elective Application

AVID’s mission is to close the opportunity gap by preparing all students for college and career readiness and success in a global society.

The AVID elective class ensures that all students succeed in a rigorous curriculum, participate in extracurricular activities (such as service learning, clubs, athletics), and increase their enrollment in four-year colleges. The curriculum features WICOR (writing, inquiry, collaboration, organization, and reading), note taking and study skills, and college/career/preparation activities. AVID Tutors are in the classroom twice a week to support you in your rigorous academic classes. The AVID class is an elective course. It will fill one period of your school day schedule.
