BE IT RESOLVED by the School Board of School District No. 833, State of Minnesota, as follows:

- 1. The school board of Northeast Metro 916 Intermediate School District has approved a long-term facility maintenance program budget for its facilities for the 2024-2025 school year (Pay 2024 Levy) in the amount of \$431,950.00 of which School District No. 833's proportionate share is \$82,268.00 for pay as you go projects. The various components of this program budget are attached hereto and are incorporated herein by reference. Said budget is hereby approved.
- 2. Minnesota Statutes, Section 123B.53, subdivision 1, as amended, provides that if an intermediate school district's long-term facility maintenance budget is approved by the school boards of each of the intermediate school district's member school districts, each member district may include its proportionate share of the costs of the intermediate school district program in its long-term facility maintenance revenue application.
- 3. The proportionate share of the costs of the intermediate school district's long-term facility maintenance program for each member school district to be included in its application shall be determined by utilizing a blended rate where 25% of the rate is determined by multiplying the total cost of the intermediate school district long-term facility maintenance times the ratio of the member school district's net tax capacity to the total net tax capacity of the intermediate school district and 75% of the rate is determined by multiplying the total cost of the intermediate school district long-term facility maintenance times the ratio of ADM utilization by district to the total ADM utilization. The inclusion of this proportionate share in the district's long-term facility

maintenance revenue application for fiscal year 2025 is hereby approved, subject to approval by the Commissioner of Education. Upon receipt of the proportionate share of long-term facility maintenance revenue attributable to the intermediate school district program, the district shall promptly pay to the intermediate school district the applicable aid or levy proceeds.
