Sand Hill District

The map displays the Sand Hill Elementary School District, which is shaded in light green. The district is bounded by the Ogeechee River to the west and south, and by various roads to the east and north. A green dot indicates the location of Sand Hill Elementary. The map shows a dense network of roads, including major thoroughfares like Highway 119, Highway 17, and Highway 116. Numerous smaller residential streets are also labeled, such as Atlantic, Second, Third, Fourth, and Fifth. The map also shows several cemeteries, including Elmore Cemetery and Sand Hill Cemetery. The surrounding area, which is not part of the district, is shown in light gray.
