

Rotary Club of Effingham County Noon Club, Rincon GA

"Service Above Self" Scholarship (Application Deadline: 5/5/2023)

Each year, the Rotary Club of Effingham County awards scholarships in the amount of \$2,500 to seniors graduating from the high schools in Effingham County who are furthering their education at colleges of their choice. The scholarships will be sent directly to the colleges as soon as the recipients provide proof of enrollment.

The motto of Rotary is "Service Above Self." As such, when evaluating the applications, the selection committee will place the most significant emphasis on how the student has given of himself or herself for the benefit of family, community and beyond. While scholastic achievement and financial need will be considered, it is not required that the applicant be one of the top scholars or be in financial distress.

Requirements

In order to be considered for the Rotary Club of Effingham County "Service Above Self" Scholarship, ALL of the following items must be submitted to the student's high school Counseling Center, no later than **Friday, May 6, 2023**. The evaluation committee reserves the right to reject any application that is not submitted by the deadline or does not include ALL of the following:

- A completed *Scholarship Application* form. The form must be neat and highly legible. It is recommended that the student have it typed. The application must be grammatically correct and free of spelling errors and cross outs. It should be indicative of the best work that the student is capable of producing.
- A copy of the parent or guardians' tax return from the previous year (at least first two pages needed...not all schedules). If the student is emancipated, the student must provide a copy of his/her tax return in lieu of the parent or guardian return. If no tax return was filed by any party, other evidence of income and expenses must be provided. This information will only be viewed by the evaluation committee and will be shredded once the selection process has been completed.
- An official copy of the student's most recent academic transcript, signed by the appropriate school official and stamped or embossed with the seal of the school.
- Three letters of recommendation from non-family members. At least one of the letters must be from an individual who can address the student's service-related contributions. Also, at least one of the letters must be from an individual outside the school system.

If you have any questions, please contact your Counseling Center representative. If they do not know the answer, they will contact the Rotary Club of Effingham County for you.
