* Creating a culture of school spirit and positive attitudes.
-  **effingham**
* Establishing the involvement of students in our community.

Thank you for supporting Effingham County High School Athletics. At ECHS, we are committed to the continued growth of student athletes. As an athletic department, we are constantly looking for new ways to grow our programs and expand opportunities for our students. Athletics serves as an avenue to keep ECHS students engaged in extra-curricular activities on a daily basis. As a school and athletic department, it is integral that we have support from the community to continue these programs. We thank you for the support that you have provided in the past and hope to continue a growing relationship with you.
