Subj: LETTER OF INSTRUCTION FOR EFFINGHAM COUNTY HIGH SCHOOL AIR FORCE  
JUNIOR RESERVE OFFICERS' TRAINING CORPS (AFJROTC) VISIT FROM 26-28  
JANUARY 2022

Ref: (a) DepO 5050.7E

Encl: (1) Itinerary/Movement Schedule

1. Situation. The AFJROTC mission is designed to educate and train high school cadets in citizenship and life skills; promote community service; instill a sense of responsibility; and develop character, leadership, and self-discipline through education and instruction in air and space fundamentals and the Air Force's core values of integrity first, service before self and excellence in all we do. It prepares high school students for responsible leadership roles while making them aware of their rights, responsibilities, and privileges as American citizens. The Effingham County High School (ECHS) AFJROTC from Springfield, GA, comprised of (65) members has requested a visit to Marine Corps Recruit Depot Parris Island (MCRDPI) to observe select training events, which will provide its members with an understanding of United States Marine Corps entry level training.

2. Mission. From 26-28 January, 2022, MCRDPI will conduct an orientation visit with ECHS AFJROTC aboard the Depot in order to introduce them to Marine Corps basic training through observation of training events and activities.

3. Execution

a. Commander's Intent. These visits shape attitudes and awareness of Marine Corps opportunities. Cadets will observe and participate in activities that support instilling values while enhancing motivation, drive, determination, leadership and teambuilding skills. While the AFJROTC program is not a recruiting program, I want to ensure the cadets and their chaperones are introduced to the benefits of service in the Marine Corps. Cadets will have the opportunity to witness our unique training, and have the opportunity to meet and interact with our professional recruit training and recruiting personnel. My desired end state is that the cadets leave with a positive impression of Parris Island, our training, our personnel, and that all members of their group gained an appreciation for the Marine Corps and service to our nation.

At no time will MCRDPI personnel administer punishment during the course of the visit or violate the policy as stated in the references.
