*A 2019 GED “completer” pictured here with Open Doors staff. There were 31 Open Doors students who earned their GED in our program in 2019.*

*June 4, 2021 is the date for our 2021 Graduation.*

The quote below is taken from a note sent to our staff.....from a proud GED “completer” parent:

*“Thank you for providing a ceremony for the graduates. Two of my three children needed a program like this and I’m very grateful that this was an option for them. Brandon has moved to Tri Cities to work part time and attend college. I have no doubt he will be successful at computer engineering. Thank you again for all that you do-it makes a big difference to many.”*
