

INCLEMENT WEATHER GUIDELINES

When inclement weather hits Yakima, many Yakima School District staff are awake early determining if we will delay or cancel school.

If we change our normal operation, look for a post from the Yakima School District by 5:30 a.m. on these platforms (in this order):

If the weather is poor, allow extra time to get where you need to be and make sure you have prepared your children with warm coats, boots, hats and gloves. To prepare for delays and closures, please make sure you have a care plan in place for your children should you need to report to your employment. It's also time to be prepared for winter driving and clearing any sidewalks in front of your home.
