

APS Student Daily COVID-19 Questionnaire

Each day before sending your child to school, please review the following questions regarding your child's health.

If you answer yes to any of the questions, please **do not send your child to school**. Contact a medical provider or call the COVID Hotline at 855-600-3453, then call the health office at your child's school.

Questions for APS Students Before They Go to School

- Does your child currently have a temperature of over 100.4 degrees?
- In the past 24 hours, has your child experienced:
 - Sore throat, runny nose, congestion
 - New frequent, dry cough (for students with chronic allergies/asthma, a change in baseline cough)
 - Shortness of breath or difficulty breathing
 - Diarrhea, vomiting
 - Loss of taste or smell
 - New onset of headache
 - Fatigue or muscle or body aches
- Has your child recently been in close contact with anyone who has exhibited any of these symptoms?
- Has your child recently been in contact with anyone who has tested positive for COVID-19?

Keep this checklist handy, so you can check it daily before sending your child to school.
