

How to register for the SAT?

- Go to www.collegeboard.org
- Create an account
- Register for the test - You are able to choose the testing location and date.
- You must upload a picture to your account. This is a way for SAT to recognize you when you report to testing
- Print out your admission ticket when you complete your registration

*** Reminders***

- If you qualify for free or reduced lunch you are eligible for a fee waiver that will cover the cost of your test. *See your counselor for details*
- **When you report to the test, please make sure that you have your testing ticket and ID with you or you will not be able to test.**

How to register for the ACT?

*** Reminders***

- If you qualify for free or reduced lunch you are eligible for a fee waiver that will cover the cost of your test. *See your counselor for details*
- **When you report to the test, please make sure that you have your testing ticket and ID with you or you will not be able to test.**

How to register for the ACCUPLACER?

- Many **Technical and 2-year colleges** accept the Accuplacer.
- SEHS hosts the Accuplacer twice a year; once in the Fall and once in the Spring.
 - Sign up in the counselor's office
- You may also sign up to take this exam at a nearby technical college at any time by registering on their website.
 - For example: [Savannah Tech Testing Center](#)
