

YouScience®

Getting Started is Easy as 1-2-3

For Students:

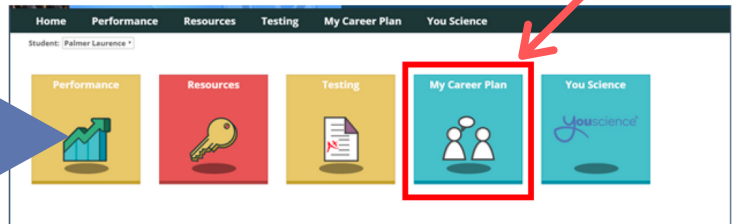

1

Have students login to your school's student information system (Infinite Campus, PowerSchool, etc) and click the SLDS Portal link

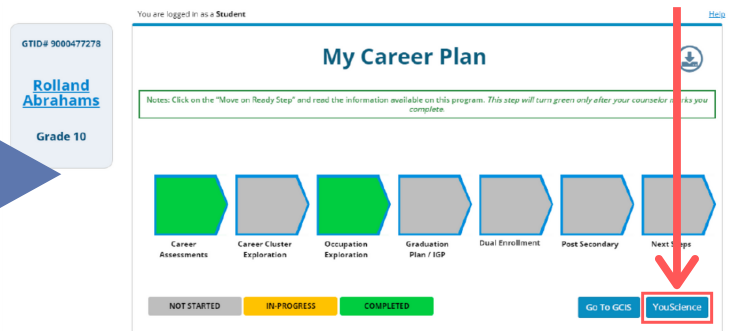

2

Click "My Career Plan"

3

Click "YouScience"

Now you're ready to go!
Students will be directed to either create their account (if they are new to YouScience), complete remaining brain games, or explore their Profiles.
