Dear School Community:

The Kingsway Regional School District in cooperation with the Department of Education's Office of Preparedness & Emergency Planning, County Officials, and the Woolwich Township Police Department will be conducting a **safety and security drill audit** this morning, May 3, 2023. The additional presence of law enforcement personnel may be noticeable and disruption to instruction should be minimal.

The purpose of conducting safety and security drill audits with the Office of Preparedness & Emergency Planning is to allow experts to observe Kingsway's response procedures and protocols and provide constructive feedback to school officials for improvement.

If you have questions or concerns regarding this advisory, please reach out to my office at your convenience.

Very truly yours,

Dr. James J. Lavender  
Superintendent of Schools
