Dear Parent(s)/Guardian,

The Kingsway Regional School District implemented a *"Random Testing for Student Alcohol or Other Drug Use"* program beginning with the 2017-18 school year. This program, as established through Board of Education Policy, enhances the District's ability to provide our students with a safe and drug free learning environment. Information regarding the Kingsway regional School District Random Testing for Student Alcohol and Other Drug Use program can be found on our website. Please navigate to https://www.krsd.org/Page/1372

In order for students to participate in interscholastic athletics and/or extracurricular activities, school dances (i.e. General School Dances, Welcome Back Dance, Homecoming, Prom, etc.) or obtain a parking permit, students and their parents must sign and return the attached consent/policy acknowledgement form. Parents who choose to voluntarily enroll their children into the program may sign and return the consent form.

We are currently enrolling students for the 2018 – 2019 school year. We ask your assistance in completing the paperwork in a timely manner. All forms will be collected during homeroom and will be delivered to the main office.

Thank you for your continued support and commitment in establishing a safe and healthy school environment so that our students can learn and reach their full potential. If you have any questions or concerns about this new policy, please contact my office at your convenience.

Very truly yours,

Dr. James J. Lavender
Superintendent of School
