Human Resources Director

Mantoux (Tuberculosis) Testing

As required by law, every school district employee must have a Mantoux (Tuberculosis) test prior to employment.

If you are a resident of Gloucester County, the Gloucester County Health Department will perform this test at no charge at the following locations:

Location	Dates/Times
Gloucester County Department of Health 204 East Holly Avenue Sewell, NJ 08080	2 nd & 4 th Monday of each month 9:00 am – 11:00 am
Paulsboro County Health Building 1000 Delaware Street Paulsboro, NJ 08066	1 st & 3 rd Monday of each month 9:00 am – 11:00 am

For more information or to make an appointment, please call 856-218-4102.

Exemptions:

- Tuberculosis testing is not required for new employees, student teachers and contractors of the district with a documented negative tuberculosis test result in the last six months or a documented positive tuberculosis test, regardless of when the test was done
- Tuberculosis testing is not required for a school employee transferring between school districts or from a non-public school within New Jersey with a documented tuberculosis test result upon his-her initial employment by a NJ school.

If you meet one of these two exemptions, please let the HR Department know and provide a copy of your previous test results.
