

You deserve it. We'll help provide it with a financial cushion.

New This Year: ONE DAY PAY! Ask us for more details! No one pays faster than Aflac.

Aflac is different from health insurance; it's insurance for daily living. Major medical pays for doctors and hospitals. Aflac is insurance for daily living. It pays cash benefits directly to you, to help with daily expenses when you or a family member is sick or hurt. Participation in these programs is voluntary. Employees that are currently enrolled should make sure that they are taking advantage of the wellness and other benefits offered on these plans. Aflac may owe you money.

Your company is offering the following programs:

- SHORT TERM DISABILITY
- CANCER and/or SPECIFIED-DISEASE (Heart attack, stroke, etc.)
- ACCIDENT
