# Asthma Treatment Plan – Student Parent Instructions

The **PACNJ Asthma Treatment Plan** is designed to help everyone understand the steps necessary for the individual student to achieve the goal of controlled asthma.

**1. Parents/Guardians:** *Before taking this form to your Health Care Provider,* complete the top left section with:

- Child's name
- Child's doctor's name & phone number
- Child's date of birth An Emergency Contact person's name & phone number

#### 2. Your Health Care Provider will complete the following areas:

- The effective date of this plan
- The medicine information for the Healthy, Caution and Emergency sections
- Your Health Care Provider will check the box next to the medication and check how much and how often to take it
- Your Health Care Provider may check "OTHER" and:
  - \* Write in asthma medications not listed on the form
  - Write in additional medications that will control your asthma
  - $\boldsymbol{*}$  Write in generic medications in place of the name brand on the form
- Together you and your Health Care Provider will decide what asthma treatment is best for your child to follow
- 3. Parents/Guardians & Health Care Providers together will discuss and then complete the following areas:
  - Child's peak flow range in the Healthy, Caution and Emergency sections on the left side of the form
  - Child's asthma triggers on the right side of the form
  - <u>Permission to Self-administer Medication</u> section at the bottom of the form: Discuss your child's ability to self-administer the inhaled medications, check the appropriate box, and then both you and your Health Care Provider must sign and date the form

#### **4.** Parents/Guardians: After completing the form with your Health Care Provider:

- Make copies of the Asthma Treatment Plan and give the signed original to your child's school nurse or child care provider
- . Keep a copy easily available at home to help manage your child's asthma
- Give copies of the Asthma Treatment Plan to everyone who provides care for your child, for example: babysitters, before/after school program staff, coaches, scout leaders

### PARENT AUTHORIZATION

I hereby give permission for my child to receive medication at school as prescribed in the Asthma Treatment Plan. Medication must be provided in its original prescription container properly labeled by a pharmacist or physician. I also give permission for the release and exchange of information between the school nurse and my child's health care provider concerning my child's health and medications. In addition, I understand that this information will be shared with school staff on a need to know basis.

NEW IERSEN

FILL OUT THE SECTION BELOW ONLY IF YOUR HEALTH CARE PROVIDER CHECKED PERMISSION FOR YOUR CHILD TO SELF-ADMINISTER ASTHMA MEDICATION ON THE FRONT OF THIS FORM. Recommendations are effective for one (1) school year only and must be renewed annually

□ I do request that my child be **ALLOWED** to carry the following medication \_\_\_\_\_\_\_\_\_ for self-administration in school pursuant to N.J.A.C:.6A:16-2.3. I give permission for my child to self-administer medication, as prescribed in this Asthma Treatment Plan for the current school year as I consider him/her to be responsible and capable of transporting, storing and self-administration of the medication. Medication must be kept in its original prescription container. I understand that the school district, agents and its employees shall incur no liability as a result of any condition or injury arising from the self-administration by the student of the medication prescribed on this form. I indemnify and hold harmless the School District, its agents and employees against any claims arising out of self-administration or lack of administration by the student.

□ I **DO NOT** request that my child self-administer his/her asthma medication.
