Ms. Marchetti
A&B Day, L1**

**SCHOLASTICS-
Ms. Falvey
C&D Day, L2**

**IN-CLASS SUPPORT-
Ms. Schmidt
A&B Day, L2**

As we close out the first month of the new school year, we would like to commend the team students for all of their hard work so far. It has not gone unnoticed! Between navigating a new schedule, another unique school year, and all of the responsibilities that come along with being a team student, we have seen our students continue to demonstrate perseverance and responsibility.

On Thursday, October 27th, we will attend our first field trip of the year to Stockton AC University. As you know, one of the core focuses of Team Scholastics is providing opportunities for students to see college campuses and explore their own interests at both local and more distant universities. We are looking forward to joining the students on this first excursion of the year!

Additionally, our first full-team Family Night will take place in the East Cafe on October 4th from 6:30-7:30 P.M. We look forward to seeing you for some team-building fun!

Finally, we are happy to announce our first Scholar Spotlight of the year for September -- recognition by the team of a student who embodies our team values of engagement, respect, and dedication. This month's student is **Jake Reed!**

We look forward to building more memories as a team as we head into October!
