We Did It! Thanks for an Unforgettable Year!

Welcome to our last issue of *Bear Tracks* this year! As our school year ends and summer begins, we at Roosevelt want to thank YOU, our families, for partnering with us during this unforgettable school year. Together, we've shifted online, built new skills, connected in new ways, and missed you terribly!

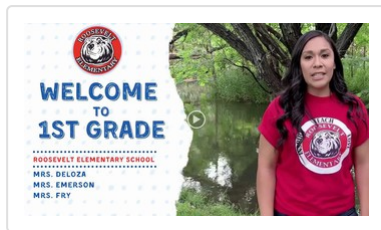

This final issue of *Bear Tracks* is about looking ahead--connecting with next year's teachers and keeping our families up-to-date on state and district plans for the 2020-21 school year. Whether we're learning in-person, online, or some combination, we are BEARs, and we will Be safe, Expect success, Act responsibly, and Respect all. Whatever fall brings, we'll look forward to learning together with your child and your family. Thanks for a great year!

MEET YOUR NEW TEACHERS!

Our Roosevelt teachers can't wait to meet you! Many grade-level teams made quick welcome videos to introduce themselves and tell you a little bit about what to expect next year. Also, we want to share a video of 2nd-grade teacher, Mrs. Nadene Hudson, getting a retirement surprise treat. Take a look!

HAPPY RETIREMENT, MRS. HUDSON!

Please join us in wishing Mrs. Nadene Hudson a happy retirement after 30 years of service to the children and families of the Yakima School District. She taught 2nd-graders at Roosevelt for 25 years in the same classroom! We'll miss you!

Re-Opening Roosevelt?

Even though our building has been closed since March 13, Roosevelt has been "open" for learning for the past 3 months. But, what will Roosevelt look like in August?

Superintendent Greene recently shared this update from OSPI and announced that a YSD Reopening Guide will be announced during the week of July 6:

Dear YSD Families and Staff,

Thank you for your flexibility as we work to provide a quality education during the COVID-19 global pandemic. I know that the situation has been challenging, and I am thankful for your resourcefulness, dedication, and care for our young learners.

The much-anticipated guidelines for returning to school in the fall were just released by the Office of the Superintendent of Public Instruction (OSPI). These recommendations were developed in close collaboration with the state Department of Health and Governor Inslee's office.

The Yakima School District will thoroughly review [the guidelines](#) and work with our leadership team to develop a local reopening guide for our schools. This will be influenced by the state's recommendations but also may have some unique components. We anticipate sharing the YSD reopening guide with you and with our community the week of July 6.

As you know, this is uncharted territory and there will be some elements of the guide that will need to be worked out along the way. We appreciate your patience as we navigate this process and promise to stay in close communication with you moving forward.

I hope you continue to stay safe and healthy. We will be in touch soon with more information.

Sincerely,

Trevor Greene, Superintendent
