

# Bear Tracks

MAY 25 • Updates from Roosevelt Elementary

## Bear Tracks en español

\* New learning packets in the mail—arriving by Friday!

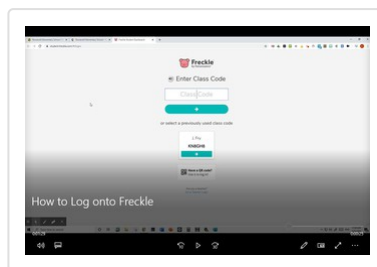

## Log onto Freckle for Math and ELA Every Day!

At Roosevelt, your child uses Freckle—an online math and ELA learning program. Please help your child keep using Freckle at home if possible. Your child already has an account using their class code. Learn more by watching the videos below, and [contact your child's teacher](#) if you need help logging on.

### STUDENT FRECKLE LINK

[Student log-on](#) for daily online math and English/Language Arts practice. Watch [video](#) for more info.

### FRECKLE LOG-IN VIDEO

Watch a [2-minute video](#) to learn how your child can log onto Freckle with a class code.

### FRECKLE FAMILY VIDEO GUIDE

Watch a [4-minute family video tutorial](#). Click for more in [English](#) or [Spanish](#).

## What Will My Child Do in Freckle?

**Your child can practice math and ELA skills in Freckle in many different areas.** Your child's teacher might assign certain skills to practice, and these assignments will appear in your child's dashboard. Also, your teacher may ask your child to practice in Freckle for a certain amount of time every day. The computer can even read many questions aloud if your child doesn't read yet.

**Your child earns virtual "coins" for correct answers in Freckle. Then, your child can visit the "Piggy Store" to purchase decorations for their avatar, such as t-shirts, wigs, and accessories (no real money is ever used).**

**Here are the main areas of Freckle Math and Freckle ELA:**

### **MATH**

- **Adaptive Math** (K-5): Math practice at each student's individual level
- **Number Basics** (K-2): Number recognition and counting practice
- **Number Facts** (K-2): Foundational addition and subtraction practice
- **Fact Practice** (K-5): Quick math operation drills

### **ELA**

- **Library** (K-5): Hundreds of articles at each student's individual reading level
- **Skills Practice** (K-12): Quick reading passages and questions
- **Grammar** (K-7): Capitalization and punctuation practice
- **Sight Words** (K-2): Practice with the most common words
- **Word Study** (K-5): Phonetics and word pattern practice

## **Annual Survey Helps YSD Plan Future: Please Participate**

Each year, our families provide feedback to YSD through a 10-minute survey. This feedback helps shape our future decisions. Open until May 31. Available in English and Spanish.

# ANNUAL YSD PARENT SURVEY

ENCUESTA ANUAL DE  
PADRES DEL DISTRITO

# Attention: YSD Parents of K-5 Multilingual Learners

When

Wednesday, May 27th, 6-7:45pm

Where

This is an online event.

More information

Attention: YSD Parents of K-5 Multilingual Learners (student enrolled in language intervention/bilingual program):

Please join us in a Google Meet for an opportunity to learn how to engage your child in Imagine Language and Literacy program within your own home! "Imagine Learning" teaches your students key skills for reading comprehension and language proficiency in reading, writing, listening and speaking. It is available to you now and throughout the summer!

Click [here](#) for English meeting from 6:00-6:45 pm

Click [here](#) for Spanish meeting from 7:00-7:45 pm

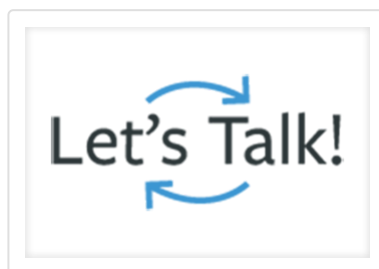

## We're Here to Help You!

Please email or call us with any questions.

### REMIND

Send your teacher a message through the Remind App. Watch [THIS VIDEO](#) for details, or [contact us](#) to get the link to your child's teacher.

### LET'S TALK

Instantly message us in English or Spanish through [Let's Talk](#)

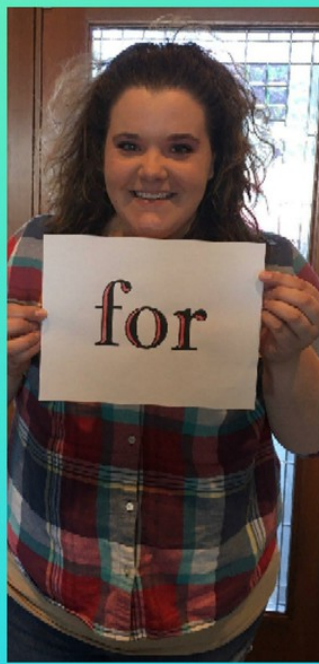

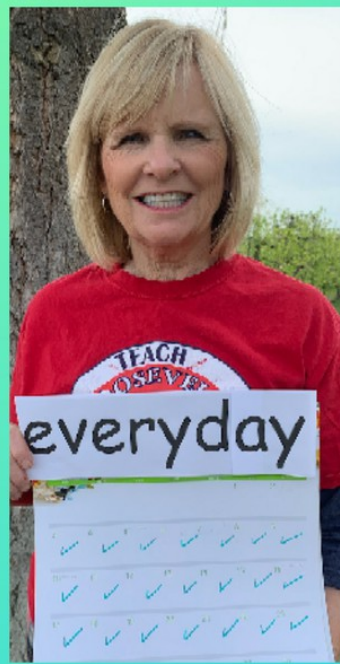

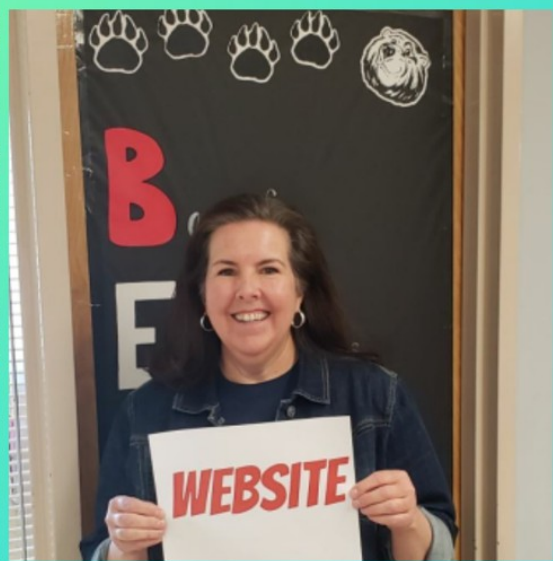

### STUDENT HELP DESK

[Email](#) or call (509) 573-7120 in English or Spanish for tech support from our Student Help Desk.

Check our website every day for updates!
