

D.C. Everest Course Request Worksheet

- Students must minimally take 6 credits for the full year (6 classes per semester=3.0 semester credits)
- Any student may take a full year or 1 semester of study hall if they need time during the day to complete homework.
- Full year courses need to be entered into both semesters. If you want a full year study hall, enter the numbers for both S1 and S2. Do NOT enter a study hall if you have 6.5 credits.

Example: First line is a full year course, Second line are two semester courses.
