

# How to Register for Courses in Infinite Campus

**Step 1:** Log into Infinite Campus

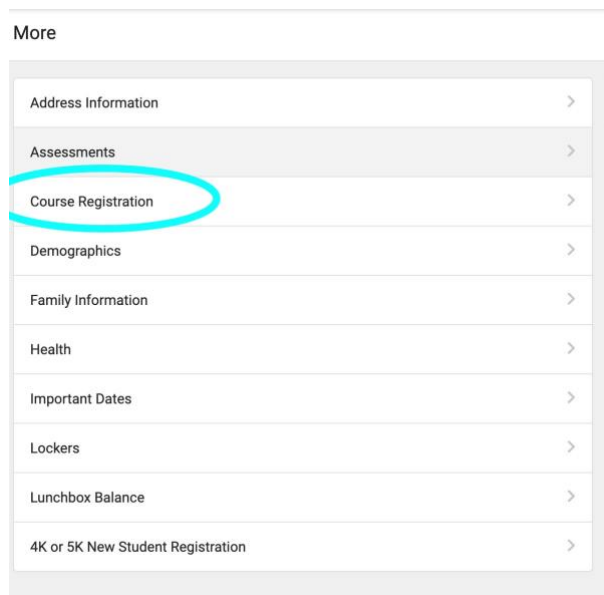

The screenshot shows the login interface for the D C Everest Area. At the top left is the Infinite Campus logo. Below it, the text "D C Everest Area" is displayed. There are two input fields: "Student Username" and "Password". Below these fields is a blue "Log In" button. At the bottom, there are links for "Help" and "Log in to Campus Parent".

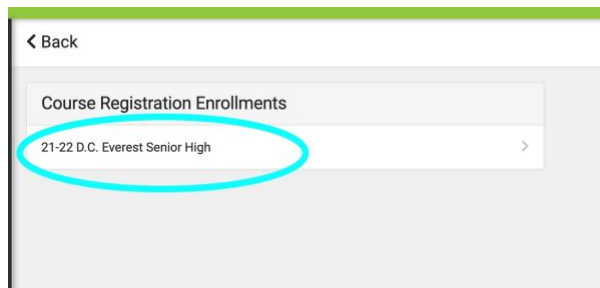

**Step 2:** Click "More" on the left of the screen.

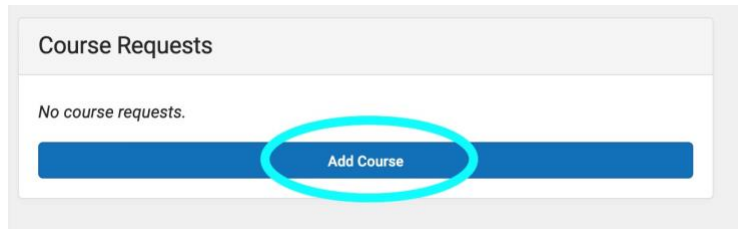

**Step 3:** Click on "Course Registration"

**Step 4:** Click on D.C. Everest Senior High

**Step 5:** Click on “Add Courses”

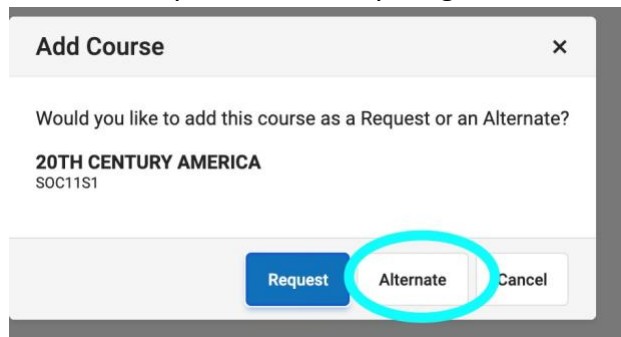

**Step 6:** Search for the courses you need. You can add a course by clicking the blue plus sign or delete a course by clicking the red X.

**Step 7:** If the course is a year-long course, request both semester course numbers.

**Step 8:** Make sure to watch the total units of courses (1 semester course= 2 units). Minimally you should have \_\_\_\_\_ units(unless student has case manager). Maximum units is \_\_\_\_\_.

**Step 9:** You must sign up for 4 alternate courses (alternate courses will NOT count as units). When you are done selecting courses, look and make sure you meet all of your graduation requirements.

**Optional:** If you want to know more about a certain course, click on the course to read a course description.
