

Lobo FFA Pride Report

Merry Christmas to all the FFA members!

UPCOMING DATES:

- State Degree Applications due ASAP along with iRecord-books.
- State FFA Convention Permission Slips Due First Week in January.

THANKSGIVING POT LUCK

To begin with, I would like to say 'Merry Christmas' to everyone and a 'Happy New Year!' The holidays are around the corner and there is a lot to celebrate with the new year coming. Speaking of celebrations, we celebrated Thanksgiving with the FFA members, the Officer Team, the Ag teachers, and the Ag Boosters in November. There was a great feast and I am sure that many members came to celebrate and say their 'Thank You' to the amazing Ag Boosters and our

amazing Ag teachers. Together the officer team and the members enjoyed a great lunch feast that was made from the Ag Boosters. I hope everyone enjoyed and hopeful those who didn't come this year will come next year . You don't want to miss out again. The officer team and the Ag teachers would like to thank those who came and the Ag Boosters for making a great feast and dedicating their time to

Enjoy the Holidays with your family and friends! Happy Holidays!

make this delicious food and let us enjoy it. Thank you again and we hope you all have a great holiday.

SECTION FUN NIGHT

As you all may already know there was the Section Fun night at Santa Rosa High School on Dec. 5th. There, all the members from different schools in our Sonoma

section came and had a blast while riding the mechanical bull or overeating cotton candy. With the Sectional Team, Athena, our Secretary, planned the party and

made it a fun night for everyone to enjoy. Hopefully we had EAHS members go to the fun night and had a blast. There will always be a next year for those who didn't go.

ELSIE ALLEN FFA OFFICER TEAM HOLIDAY PICTURES

On December 5th the Officer Team got together and took their yearly holiday photos. They took their holiday photos on the EAHS Baseball field to symbolize the FFA Chapter Theme “Step Up to the Plate...Answer Your Call to AG-tion!”. The pictures weren’t just traditional ones since the holidays are coming up and we wanted to show a little fun in the photos. We had Santa Hats and reindeers to show the

Christmas holidays and spirit. We brought in hay bales to sit on and showed some FFA spirit as well. With the year wrapping up we wanted to show our appreciation by sending our holiday photo. We would like to thank all those who supported FFA in the school and those who helped out. Thank you!

Merry Christmas!

Scholarship Opportunities

As you all may very well know, already, in January there will be workshops and opportunities for scholarships for those who will attending further education after high school. See your Ag Teacher for details. Here is a list of some of the scholarships:

- Men’s Garden Club, Ag Boosters
- Farm Bureau, Students of Vineyard Workers

Sustainable Agriculture Summer Academy Application

The Sustainable Agriculture Summer Academy has been announced every morning and is with the Santa Rosa Junior College. There is a chance for you to get experience with Agriculture and learn how it is to work in the Agriculture world. Any student on campus will be able to participate if they turn in the complete applications. You will get high school credit and college credit when in this program. Not only will it help you gain insight to the Ag Industry, but it will show you the life of someone who works with agriculture and you will gain knowledge from that if you ever want to learn or work in the same field when you graduate from high school. Don’t spend too much time thinking though. The deadline is in March. **APPLY NOW!**
