POCATELLO/CHUBBUCK SCHOOL DISTRICT 25

LEARNING TODAY FOR THE POSSIBILITIES OF TOMORROW

POCATELLO/CHUBBUCK SCHOOL DISTRICT NO. 25 REQUEST FOR QUALIFICATIONS HIGHLAND HIGH SCHOOL REBUILD PROJECT

Pursuant to Idaho Code § 54-4501, Soda Springs Jt. School District #150 (the school district) will accept Statements Of Qualifications (SOQs) from licensed Idaho PublicWorks Construction Managers in good standing to perform construction manager services.

Pursuant to Idaho Code § 67-2320, the school district plans to use the Construction Manager / General Contractor (CM/GC) delivery process in accordance with the Qualification Based Selection process. The school district is seeking SOQs from qualified firms to provide CM/GC services to assist with this project.

Written SOQs will be received by a representative of the Board of Trustees of the Pocatello/Chubbuck School District No. 25, Bannock County, Idaho, at 3115 Pole Line Road, Pocatello, ID, 83201 until **June 1, 2023 at 11:00 am MST**. Any statement of qualifications received after such time will not be considered and will not be returned. Each SOQ will be evaluated on the basis of qualifications as specified in this RFQ. A selection committee will evaluate each of the SOQs and the committee may choose to conduct interviews with one or more of the firms. The Board of Trustees of the Pocatello/Chubbuck School District #25 will make the final decision regarding the firm chosen for CM/GC services for this project.

The school district reserves the right to reject any and all SOQs, to waive any irregularities in the SOQs received, and to select the CM/GC that is in the best interest of the school district and the public. The issuance of the RFQ and the receipt and evaluation of sealed SOQs does not obligate the school district to award a contract. The school district will pay no costs incurred in responding to this RFQ. The school district may in its discretion cancel this process at any time prior to execution of a contract without liability.

There will be no **Pre-Proposal Meeting**.

PROJECT INFORMATION

1. Project Location

Highland High School, 1800 Bench Road, Pocatello, Idaho, 83201

2. Project Budget

Will work within the insurance settlement and school district budget.

3. Project Description

The project scope might include, but not limited to, communicating, planning, scheduling, and preparing for demolition of existing Highland High School Main gym, cafeteria, and various classrooms, building a new gymnasium, cafeteria, and classrooms connecting each one seamlessly to the existing structures, containing all the necessary lighting, heating, ventilation, sanitation facilities, and appliances necessary to maintain and operate said buildings and facilities for the education of the students of the school district.

4. Other Project Personnel

An architect will also be chosen by the RFQ process whom you will be expected to work with closely and effectively in a collaborative manner during all phases of the project.

5. Project Timeline

Pre-construction services for the project will begin as soon as possible. The project will then commence as soon as all aspects of the project are in place, with time being of the essence for completion.

6. CM/GC Scope of Services

All CM/GC contracted services must be performed by staff properly licensed in the State of Idaho. The following services are anticipated in the CM/GC Services agreement with the school district. These descriptions are illustrative in nature and not exhaustive. The actual scope of services will be negotiated after this RFQ selection process has been conducted.

The CM/GC will be responsible for Programming, Construction Documents, and Construction Observation.

The CM/GC may make presentations to the Pocatello/Chubbuck School District No. 25 Board of Trustees as requested by the Board and shall keep in mind that during all phases, code compliance, energy efficiency, and building maintenance concerns should be monitored and adhered to.

Preconstruction Phase, for Design and Bidding and Long Lead Procurement Services:

- Work with the school district staff and the design team to review the project and visit the work areas to become familiar with the project;
- Present qualifications in an open board meeting;
- Review draft design drawings and specifications to identify clarity and constructability issues;
- Provide cost estimates as needed and required in the contract;
- Work with the school district staff to develop a project schedule and refine the logistics plans;
- As necessary, provide recommendations with regard to accelerated or fast track scheduling, procurement, or phased construction;
- Develop and disseminate trade contract scopes and other contract documents;
- Establish bidder interest and obtain competitive bids for all the work, materials, and equipment;
- Work with the school district staff and the design team to address questions, issue addendums,

- and publically open bids;
- Work with the school district staff and design team to value engineer the design and reconcile budget overruns as needed;
- Research and coordinate with specialty contractors and vendors on specialized items.
- Work with the school district staff to derive and negotiate project Guaranteed Maximum Price.

If the project will require multiple bid packages/ Guaranteed Maximum Price (GMP) the following statement will apply to the pre-construction services provided by the CM/GC:

Prior to release of the first package for the subcontractor bidding, CM/GC firm shall submit a bid package estimate that itemizes all bid packages to be bid and awarded and which includes the CM/GC firm's estimate of the cost of each bid package. As permitted by the school district, the bid package estimate will include line items for any work the CM/GC firm proposes to self-perform. CM/GC firm's overhead, profit, and contingencies shall be identified in separate line items. The total of the bid package estimate shall equal the Construction Cost on the CM/GC firm's most recent estimate.

Construction Service Phase:

- Obtain project bonding, issue subcontracts and trade contracts, and obtain permits for all the work;
- Serve as the General Contractor and as a licensed Construction Manager, including:
 - Manage the construction process including the coordination, planning, trade contractor management, submittals management, procurement of long-lead material items, and requests for information;
 - Plan and provide general condition services such as site management, mobilization, storage areas, staging, et cetera
 - Obtain permission and coordinate access with public and private property owners implicated by the construction activity.
 - Review and negotiate change orders, and resolve issues and claims;
 - Coordinate safety programs, and maintain a safe job site;
 - Ensure project quality and conduct and coordinate inspections;
 - Update construction schedules as required to meet project milestones;
 - Conduct and document coordination meetings;
 - Maintain records, record documents, and manuals;
 - Develop, monitor, and complete project punchlist;
 - Coordinate and assist with warranty corrections.

7. Special Instructions

Throughout the project, the CM/GC firm shall provide the school district with professional construction management and contractor services and represent the school district's interests in completing the project on time, within set budgets, and as planned with minimum difficulties. It is anticipated that standard AIA or Consensus Docs contracts will form the basis of agreement for CM/GC services to be entered into for the project; provided however, the school district reserves the right to change, modify, or amend the final contract to be entered into by the school district.

The objection must state the exact nature of the protest, describing the location of the protest portion or clause in the RFQ and explaining why the provision should be struck, added, or altered, and contain suggested corrections. The school district may deny the objection, modify this RFQ, and/or reject all or part of the objection.

7. Addenda

In the event it becomes necessary to revise any part of this RFQ, addenda will be issued. Information given to one Respondent will be available to all other Respondents if such information is necessary for purposes of submitting a SOQ or if failure to give such information would be prejudicial to uninformed Respondents. It is the Respondents' responsibility to check for addenda prior to submitting a SOQ. Failure to do so may result in the SOQ being declared nonresponsive. No addenda will be issued less than five (5) business days before the SOQ deadline unless the deadline is extended.

8. Modification or Withdrawal of SOQ

A SOQ may be modified or withdrawn by the Respondent prior to the submission deadline set forth in this RFQ. After the submission deadline, the submitted SOQ shall remain in effect for a minimum of 90 days for evaluation purposes.

9. Protest

If any participating Respondent objects to the school district's notice of selecting a firm for CM/GC services, that Respondent shall respond in writing to the notice from the school district within five (5) calendar days of the date of transmittal of the notice, stating the express reason or reasons that the decision of the school district's board of trustees is in error. Upon receipt of such objection, the school district's board of trustees shall review the award and determine whether to affirm, modify or re-issue the RFQ, setting forth the reason or reasons for its decision. At completion of the review process, the school district may proceed as it deems to be in the best interest of the school district and the public.

GENERAL CONDITIONS OF RFQ

1. Intent of RFQ

It is the intent of the school district to run a Qualification Based Selection process to select a firm capable of providing the CM/GC services, including but not limited to, those outlined within this RFQ. The Respondent ranked highest will be approached to negotiate the contract(s) necessary for this project. If contracts cannot be negotiated, the school district will then approach the next highest ranked Respondent to negotiate the contracts pursuant to Idaho Code § 67-2320.

2. Reserved Rights

The school district reserves the right to act in the public's best interest and in furtherance of the purposes of Idaho Code Title 67, Chapter 28 (Purchasing by Political Subdivisions). The school district reserves the right to waive any formalities or defects as to form, procedure, or content with respect to its Request for Qualifications and any irregularities in the SOQs received, to request additional data and information from any and all Respondents, to reject any submissions based on real or apparent conflict of interest, to reject any submissions containing inaccurate or misleading information, and to accept the SOQ that is in the best interest of the school district and the public. The issuance of this RFQ and the receipt and evaluation of SOQs does not obligate the school district to select a firm nor award a contract. The school district may in its discretion cancel, postpone, or amend this RFQ at any time without liability.

3. Public Records

The school district is a public entity. All documents in its possession are public records subject to inspection and copying under the Idaho Public Records Law, Idaho Code §§ 74-101 through 74-125. The Public Records Law contains certain exemptions – one of which that is potentially applicable to part of your response is an exemption for trade secrets. Trade secrets may include a formula, pattern, compilation, program, computer program, device, method, technique or process that derives economic value, actual or potential, from not being generally known to, and not being readily ascertainable by proper means by other persons and is subject to the efforts that are reasonable under the circumstances to maintain its secrecy. Prices quoted in a SOQ are not trade secrets.

If any Respondent claims any part of a SOQ is exempt from disclosure under the Idaho Public Records Law, the Respondent must: 1.) Indicate by marking the pertinent document "CONFIDENTIAL"; and, 2.) Include the specific basis for the position that it be treated as exempt from disclosure. Marking the entire SOQ as "CONFIDENTIAL" is not in accordance with Idaho Public Records Law and will not be honored.

The school district, to the extent allowed by law and in accordance with these Instructions, will honor a nondisclosure designation. By claiming material to be exempt from disclosure under the Idaho Public Records Law, Respondent expressly agrees to defend, indemnify, and hold the school district harmless from any claim or suit arising from the school district's refusal to disclose such materials pursuant to the Respondent's designation. Any questions regarding the applicability of the Public Records Law should be addressed to your own legal counsel prior to submission.

4. Insurance

All contractors who provide goods or services to the school district are required to provide the school district with certificates of insurance for General Liability, Auto Liability, Workers Compensation, and Professional Liability if applicable.

The General Liability and/or Professional Liability certificate must name the school district as an additional insured under the contractor's policy.

Certificates are to be provided to the school district prior to any work commencing on school district property. This would include the placement of any equipment or materials at the work site.

Minimum Insurance Limits

General Liability \$1,000,000 per occurrence
 \$1,000,000 products and completed operations
 \$1,000,000 annual aggregate

Auto Liability \$1,000,000 per occurrence

Worker's Compensation Statutory

5. Bonding

As the General Contractor, the CM/GC must have the capability to bond 100% of the contract price of the project estimated at the time the contract is negotiated and until such time that all of the entire projects bid, the overall Guaranteed Maximum Price (GMP) for the work is established, and the bond is delivered to the school district. The performance and payment bonds shall be AIA Document A312, 2010, or a standard surety form certified approved to be the same as the AIA A312 form and shall be executed by a surety or sureties reasonably acceptable to the school district and authorized to do business in the State of Idaho.

6. Taxes

The school district is exempt from Federal and State taxes and will execute the required exemption certificates for items purchased and used by the school district. Items purchased by the school district and used by a contractor may be subject to Use Tax. All other taxes are the responsibility of the Contractor and are to be included in the Contractor's pricing.

7. Legal Residency Requirement

By submitting a SOQ, the Respondent attests, under penalty of perjury, that they are a United States citizen or legal permanent resident or that they are otherwise lawfully present in the United States pursuant to federal law. Prior to being issued a contract, the firm will be required to submit proof of lawful presence in the United States in accordance with Idaho Code § 67- 7903.

8. License Requirements

Proposals will be accepted from Idaho licensed construction managers and the firm of which they are a principal or full-time employee who, prior to the SOQ deadline, also have a valid public works contractor license as a general contractor pursuant to Idaho Code § 54-1902.

Idaho Code § 54-1902 requires that public works contractors and subcontractors have the appropriate Public Works License for the particular type of construction work involved, and the general contractor must perform at least 20% of the work under contract.

REQUIRED CONTENT, EVALUATION, AND SELECTION

1. Required Submission Materials and Format

The SOQ format described here is meant to allow uniform review and easy access to information by the evaluation committee. Respondents not conforming to the requested format or not in compliance with the specifications may be considered nonresponsive.

SOQs must include the following information set forth below. Respondents acknowledge they will be ranked according to articles below, with points applied per article:

Proposal Criteria – organized with the following information and scoring criteria:

- A. Cover Letter:** A signed letter briefly stating the Respondent's understanding of the work to be done, the commitment to perform the work within a reasonable timeframe, and a statement as to why the firm believes it is qualified to perform CM/GC services for the project. Behind the Cover Letter, please submit a completed RFQ Submittal Information Form (Exhibit A) and a completed RFQ Waiver and Release Form (Exhibit B). **5 Points**
- B. Company Profile:** Describe the firm's history, size, resources, philosophy of service, typical volume of work, financial stability, safety record, and basic construction management techniques and methods. Describe how your particular expertise, experience, and techniques can be an advantage to the school district in completing the projects. **10 Points**
- C. CM/GC Approach:** Describe the firm's philosophy and approach to providing CM/GC services during both the Pre-construction and Construction phases of the project as outlined under *Project Information CM/GC Scope of Services* in this RFQ. Describe the firm's quality assurance or quality control processes. Also include a description of your post construction approach including your firm's warranty program. **10 Points**
- D. Key Project Personnel:** Identify the personnel to whom CM/GC responsibilities will be assigned. Include names, titles, roles, qualifications, years of experience, project experience, and resumes. Please identify your firm's main point of contact for this project. Also, provide an organization chart clearly illustrating key and support personnel for your project team. **15 Points**
- E. Budget Control:** Submit detailed information of how your firm provides budget control throughout all phases of the project. This shall include but is not limited to, periodic updates of construction cost estimates and participation in value engineering during project design, and successfully tracking and reporting construction costs, including line item costs for each bid package, fees, permits, reimbursable costs, CM fees, and all other project costs. **20 Points**
- F. Scheduling:** Describe the primary scheduling techniques the firm uses and the software you will employ to produce an effective construction schedule. Provide examples of successful construction management and scheduling services provided on complex, multi-phase projects. Discuss in detail how you intend to enforce contract schedule compliance. **20 Points**
- G. Relevant Experience:** Include project name, project description, client reference (including contact name and title, role on the project, email address, and telephone number), project budget, type of services provided, and other pertinent information for three (3) projects of

similar size and/or scope. Please focus on firm experience – do not include individual experience for projects performed while individuals were employed by other firms. **10 Points**

- H. Local Experience:** Also, describe your firm’s presence and past experience in Idaho including but not limited to, past projects completed in Idaho, employment of residents of Idaho, other work performed in Idaho and corporate presence in Idaho. **10 Points**

2. Evaluation of Respondent

Proposals will be evaluated based on the Respondent’s response and qualifications by a selection committee that may include the school district employees and consultants. Before a firm is selected, the school district may conduct reference investigations or interviews with one or more Respondents as is necessary to evaluate and determine the performance record and ability of the Respondents to perform the size and type of work anticipated and to determine the quality of the services being offered. By submitting a SOQ, the Respondent authorizes the school district to conduct reference investigations as needed and interviews as necessary.

3. Qualification Based Selection

Selection will be based on the procurement rules set forth in Idaho Code § 67-2320. Final selection is made by the Board of Trustees of the Pocatello/Chubbuck School District #25. The Board of Trustees of the Pocatello/Chubbuck School District #25 has the right to waive or alter submission requirements or to reject any or all submissions, consistent with Idaho law. It is the Respondent’s responsibility to conform to all applicable federal, state and local statutes and other applicable legal requirements. The information provided herein is intended to assist Respondents in meeting applicable requirements but is not exhaustive, and the school district will not be responsible for any failure by any Respondent to meet applicable requirements.
