

SLATER RENAISSANCE PROGRAM

Dear Parents:

The Renaissance Club at Slater Middle School is conducting a Renaissance Program Fund Drive. The Renaissance Program is an innovative program designed to promote and recognize students' academic achievements. Students are recognized and rewarded every quarter at assemblies for scholastic achievement, improvement, and perfect attendance. Each Renaissance achiever will receive a Renaissance card to redeem at school and coupons from local business sponsors. At every Renaissance rally, students have the chance to win exciting prizes such as, gift cards for movies and popular stores.

Particularly at the middle school level, students often receive negative peer pressure about getting good grades. Our Renaissance Program works specifically to provide a positive outcome and desire for high scholastic achievement. The rallies work like sports rallies to generate the same kind of excitement for all students to root for good grades just as you might root for your favorite team.

All of this needs funding, of course, but with your support, we can provide the type of Renaissance Program that continues the startling success it has had every year. Hundreds of students are Renaissance achievers. Let's increase that number by supporting a program that works!

Please donate by using the attached form. Any gift is tax-deductible. Your generosity is greatly appreciated and a tax-deductible "Thank You" will be sent promptly. Feel free to direct any questions to Wendy Provost or Kelly McMahon at (707) 528-5241

Thank You on behalf of all the HSMS Renaissance Achievers!
