RE: Simplex Contract

BACKGROUND

The smoke and heat detectors that are currently servicing the 3rd and 4th floors in the old building are 19 years old. The National Fire Protection Agency recommends that these devices be replaced out every 10 years.

SUMMARY OF FINDINGS

The School District will save contractor "mark up" on these devices by purchasing them directly. The labor to install these devices will be provided in the scope of work by Henry Bros during the demolition and renovation of the 3rd and 4th floor classroom ceilings and lights this summer.

Attached are quotations from Simplex Grinnell totaling \$32,513 to provide the District with all the recommended devices to bring the rooms that are receiving new ceilings and lights this summer up to code.

RECOMMENDATIONS

MOTION: To approve the purchase of new smoke and heat detector devices from Simplex Grinnell for the Summer 2011 construction projects.

Comments

This proposal does include updating the existing graphics.

This proposal does not include electrical sub-contractor labor and material.

SimplexGrinnell Quotation

Comments (continued)

Programming, Testing, Certification, and Training services have also been included in this proposal and will be performed by a SimplexGrinnell technician. The contractor is encouraged to contact SimplexGrinnell prior to the onset of construction to arrange for a pre-construction meeting. This is an integral part of the technical support package provided by SimplexGrinnell.

To schedule a technician, please contact Vicki Berzynski at (630) 948-1171 or vberzynski@simplexgrinnell.com.

Submittal drawing work is based on availability of AutoCad compatible drawings from the contractor/owner. Drawings shall depict device locations, column lines, door swings, and correct room labels. If CAD drawings are not available, SimplexGrinnell reserves the right to request additional compensation for floor plan drawing development.

This proposal does not include premium time. Overtime or holiday work required (as a result of project delays created by others) will be justification for a Change Order. Installation assumed to occur Monday thru Friday between 7am and 3:30pm.

SimplexGrinnell requests a secure staging area on site to store equipment, tools, and materials.

This proposal is valid for 30 days.

This proposal includes a one (1) year standard parts and labor warranty in accordance with SimplexGrinnell terms and conditions.

Terms and conditions of contractor's purchase order/contract shall be subject to SimplexGrinnell review. Final agreement to terms shall be by written agreement between contractor and SimplexGrinnell.

Additional labor, material, specifications and requirements not specifically listed above, may be an additional cost. We understand that there may be specific facility construction procedures and requirements unique to this installation. We encourage you to bring those to our attention before accepting this proposal, so that we may understand them, and bring any deficiencies in this proposal to your immediate attention to ensure we provide you with a proposal that will address all of your needs.

Please contact me with any questions at the numbers listed below. To place an order, please send an executed copy of this quote (see signatory block on the last page) with your purchase order number.

Thanks,

TERMS AND CONDITIONS

1. Payment. Payments shall be invoiced and due in accordance with the terms and conditions set forth above. Work performed on a time and material basis shall be at the then-prevailing Company rate for material, labor, and related items, in effect at the time supplied under this Agreement. Company shall invoice Customer for progress payments to one hundred (100%) percent based upon equipment delivered or stored, and services performed. Customers without established satisfactory credit shall make payments of cash in advance, upon delivery or as otherwise specified by Company. Where Customer establishes and maintains satisfactory credit, payments shall be due and payable thirty (30) days from date of invoice. Company reserves the right to revoke or modify Customer's credit at its sole discretion. The Customer's failure to make payment when due is a material breach of this Agreement.

If Customer fails to make any payment when due, in addition to any other rights and remedies available, Company shall have the right, at Company's sole discretion, to stop performing any Services and/or withhold further deliveries of materials, until the account is current. In the event payment is not received when due, Company may, at its discretion, assess late fees at the rate of 1.5% per month or the maximum rate allowed by law. Customer agrees to pay all costs of collection, including without limitation costs, fees, and attorneys' fees. Customer's failure to make payment when due is a material breach of this Agreement until the account is current.

2. Pricing. The pricing set forth in this Agreement is based on the number of devices to be installed and services to be performed as set forth in the Scope of Work ("Equipment" and "Services"). If the actual number of devices installed or services to be performed is greater than that set forth in the Scope of Work, the price will be increased accordingly. If this Agreement extends beyond one year, SimplexGrinnell may increase prices upon notice to the Customer. Customer agrees to pay all taxes, permits, and other charges, including but not limited to state and local sales and excise taxes, however designated, levied or based on the service charges pursuant to this Agreement.

3. Alarm Monitoring Services. Any reference to alarm monitoring services in this Agreement is included for pricing purposes only. Alarm monitoring services are performed pursuant to the terms and conditions of Company's standard alarm monitoring services agreement.

4. Code Compliance. Company does not undertake an obligation to inspect for compliance with laws or regulations unless specifically stated in the Scope of Work. Customer acknowledges that the Authority Having Jurisdiction (e.g. Fire Marshal) may establish additional requirements for compliance with local codes. Any additional services or equipment required will be provided at an additional cost to Customer.

5. Limitation of Liability; Limitations of Remedy. It is understood and agreed by the Customer that Company is not an insurer and that insurance coverage, if any, shall be obtained by the Customer and that amounts payable to company hereunder are based upon the value of the services and the scope of liability set forth in this Agreement and are unrelated to the value of the Customer's property and the property of others located on the premises. Customer agrees to look exclusively to the Customer's insurer to recover for injuries or damage in the event of any loss or injury and that Customer releases and waives all right of recovery against Company arising by way of subrogation. Company makes no guaranty or Warranty, including any implied warranty of merchantability or fitness for a particular purpose that equipment or services supplied by Company will detect or avert occurrences or the consequences therefrom that the equipment or service was designed to detect or avert. It is impractical and extremely difficult to fix the actual

damages, if any, which may proximately result from failure on the part of Company to perform any of its obligations under this Agreement. Accordingly, Customer agrees that, Company shall be exempt from liability for any loss, damage or injury arising directly or indirectly from occurrences, or the consequences therefrom, which the equipment or service was designed to detect or avert. Should Company be found liable for any loss, damage or injury arising from a failure of the equipment or service in any respect, Company's liability shall be limited to an amount equal to the Agreement price (as increased by the price for any additional work) or where the time and material payment term is selected, Customer's time and material payments to Company. Where this Agreement covers multiple sites, liability shall be limited to the amount of the payments allocable to the site where the incident occurred. Such sum shall be complete and exclusive. If Customer desires Company to assume greater liability, the parties shall amend this Agreement by attaching a rider setting forth the amount of additional liability and the additional amount payable by the Customer for the assumption by Company of such greater liability, provided however that such rider shall in no way be interpreted to hold Company as an insurer. **IN NO EVENT SHALL COMPANY BE LIABLE FOR ANY DAMAGE, LOSS, INJURY, OR ANY OTHER CLAIM ARISING FROM ANY SERVICING, ALTERATIONS, MODIFICATIONS, CHANGES, OR MOVEMENTS OF THE COVERED SYSTEM(S) OR ANY OF ITS COMPONENT PARTS BY THE CUSTOMER OR ANY THIRD PARTY. COMPANY SHALL NOT BE LIABLE FOR INDIRECT, INCIDENTAL OR CONSEQUENTIAL DAMAGES OF ANY KIND, INCLUDING BUT NOT LIMITED TO DAMAGES ARISING FROM THE USE, LOSS OF THE USE, PERFORMANCE, OR FAILURE OF THE COVERED SYSTEM(S) TO PERFORM.** The limitations of liability set forth in this Agreement shall inure to the benefit of all parents, subsidiaries and affiliates of company, whether direct or indirect, company's employees, agents, officers and directors.

6. Reciprocal Waiver of Claims (SAFETY Act). Certain of SimplexGrinnell's systems and services have received Certification and/or Designation as Qualified Anti-Terrorism Technologies ("QATT") under the Support Anti-terrorism by Fostering Effective Technologies Act of 2002, 6 U.S.C. §§ 441-444 (the "SAFETY Act"). As required under 6 C.F.R. 25.5 (e), to the maximum extent permitted by law, SimplexGrinnell and Customer hereby agree to waive their right to make any claims against the other for any losses, including business interruption losses, sustained by either party or their respective employees, resulting from an activity resulting from an "Act of Terrorism" as defined in 6 C.F.R. 25.2, when QATT have been deployed in defense against, response to, or recovery from such Act of Terrorism.

7. General Provisions. Customer has selected the service level desired after considering and balancing various levels of protection afforded, and their related costs. Customer acknowledges and agrees that by this Agreement, Company, unless specifically stated, does not undertake any obligation to maintain or render Customer's system or equipment as Year 2000 compliant, which shall mean, capable of correctly handling the processing of calendar dates before or after December 31, 1999. All work to be performed by Company will be performed during normal working hours of normal working days (8:00 a.m. – 5:00 p.m., Monday through Friday, excluding Company holidays), as defined by Company, unless additional times are specifically described in this Agreement.

Company will perform the services described in the Scope of Work section ("Services") for one or more system(s) or

equipment as described in the Scope of Work section or the listed attachments ("Covered System(s)").

The Customer shall promptly notify Company of any malfunction in the Covered System(s) which comes to Customer's attention. This Agreement assumes the Covered System(s) are in operational and maintainable condition as of the Agreement date. If, upon initial inspection, Company determines that repairs are recommended, repair charges will be submitted for approval prior to any work. Should such repair work be declined Company shall be relieved from any and all liability arising therefrom, **UNLESS OTHERWISE SPECIFIED IN THIS AGREEMENT, ANY INSPECTION (AND, IF SPECIFIED, TESTING) PROVIDED UNDER THIS AGREEMENT DOES NOT INCLUDE ANY MAINTENANCE, REPAIRS, ALTERATIONS, REPLACEMENT OF PARTS, OR ANY FIELD ADJUSTMENTS WHATSOEVER, NOR DOES IT INCLUDE THE CORRECTION OF ANY DEFICIENCIES IDENTIFIED BY COMPANY TO CUSTOMER. COMPANY SHALL NOT BE RESPONSIBLE FOR EQUIPMENT FAILURE OCCURRING WHILE COMPANY IS IN THE PROCESS OF FOLLOWING ITS INSPECTION TECHNIQUES, WHERE THE FAILURE ALSO RESULTS FROM THE AGE OR OBSOLESCENCE OF THE ITEM OR DUE TO NORMAL WEAR AND TEAR. THIS AGREEMENT DOES NOT COVER SYSTEMS, EQUIPMENT, COMPONENTS OR PARTS THAT ARE BELOW GRADE, BEHIND WALLS OR OTHER OBSTRUCTIONS OR EXTERIOR TO THE BUILDING, ELECTRICAL WIRING, AND PIPING.**

8. Customer Responsibilities. Customer shall furnish all necessary facilities for performance of its work by Company, adequate space for storage and handling of materials, light, water, heat, heat tracing, electrical service, local telephone, watchman, and crane and elevator service and necessary permits. Where wet pipe system is installed, Customer shall supply and maintain sufficient heat to prevent freezing of the system. Customer shall promptly notify Company of any malfunction in the Covered System(s) which comes to Customer's attention. This Agreement assumes any existing system(s) are in operational and maintainable condition as of the Agreement date. If, upon initial inspection, Company determines that repairs are recommended, repair charges will be submitted for approval prior to any work. Should such repair work be declined Company shall be relieved from any and all liability arising therefrom.

Customer shall further:

- supply required schematics and drawings unless they are to be supplied by Company in accordance with this Agreement;
- Provide a safe work environment, in the event of an emergency or Covered System(s) failure, take reasonable safety precautions to protect against personal injury, death, and property damage, continue such measures until the Covered System(s) are operational, and notify Company as soon as possible under the circumstances.

- Provide Company access to any system(s) to be serviced,
- Comply with all laws, codes, and regulations pertaining to the equipment and/or services provided under this agreement.

9. Excavation. In the event the Work includes excavation, Customer shall pay, as an extra to the contract price, the cost of any additional work performed by Company due to water, quicksand, rock or other unforeseen condition or obstruction encountered or shoring required.

10. Structure and Site Conditions. While employees of Company will exercise reasonable care in this respect, Company shall be under no responsibility for loss or damage due to the character, condition or use of foundations, walls, or other structures not erected by it or resulting from the excavation in proximity thereto, or for damage resulting from concealed piping, wiring, fixtures, or other equipment or condition of water pressure. All shoring or protection of

SALE AND INSTALLATION AGREEMENT

foundation, walls or other structures subject to being disturbed by any excavation required hereunder shall be the responsibility of Customer. Customer shall have all things in readiness for installation including, without limitation, structure to support the sprinkler system and related equipment (including tanks), other materials, floor or suitable working base, connections and facilities for erection at the time the materials are delivered. In the event Customer fails to have all things in readiness at the time scheduled for receipt of materials, Customer shall reimburse Company for all expenses caused by such failure. Failure to make areas available to Company during performance in accordance with schedules that are the basis for Company's proposal shall be considered a failure to have things in readiness in accordance with the terms of this Agreement.

11. Confined Space. If access to confined space by Company is required for the performance of Services, Services shall be scheduled and performed in accordance with Company's then-current hourly rate.

12. Hazardous Materials. Customer represents that, except to the extent that Company has been given written notice of the following hazards prior to the execution of this Agreement, to the best of Customer's knowledge there is no:

- "permit confined space," as defined by OSHA,
- risk of infectious disease,
- need for air monitoring, respiratory protection, or other medical risk,
- asbestos, asbestos-containing material, formaldehyde or other potentially toxic or otherwise hazardous material contained in or on the surface of the floors, walls, ceilings, insulation or other structural components of the area of any building where work is required to be performed under this Agreement.

All of the above are hereinafter referred to as "Hazardous Conditions".

Company shall have the right to rely on the representations listed above. If hazardous conditions are encountered by Company during the course of Company's work, the discovery of such materials shall constitute an event beyond Company's control and Company shall have no obligation to further perform in the area where the hazardous conditions exist until the area has been made safe by Customer as certified in writing by an independent testing agency, and Customer shall pay disruption expenses and re-mobilization expenses as determined by Company.

This Agreement does not provide for the cost of capture, containment or disposal of any hazardous waste materials, or hazardous materials, encountered in any of the Covered System(s) and/or during performance of the Services. Said materials shall at all times remain the responsibility and property of Customer. Company shall not be responsible for the testing, removal or disposal of such hazardous materials.

13. OSHA Compliance. Customer shall indemnify and hold Company harmless from and against any and all claims, demands and/or damages arising in whole or in part from the enforcement of the Occupational Safety Health Act (and any amendments or changes thereto) unless said claims, demands or damages are a direct result of causes within the exclusive control of Company.

14. Interferences. Customer shall be responsible to coordinate the work of other trades (including but not limited to ducting, piping, and electrical) and for and additional costs incurred by Company arising out of interferences to Company's work caused by other trades.

15. Modifications and Substitutions. Company reserves the right to modify materials, including substituting materials of later design, providing that such modifications or substitutions will not materially affect the performance of the Covered System(s).

16. Changes, Alterations, Additions. Changes, alterations and additions to the Scope of Work, plans, specifications or construction schedule shall be invalid unless approved in writing by Company. Should changes be approved by Company, that increase or decrease the cost of the work to Company, the parties shall agree, in writing, to the change in price prior to

performance of any work. However, if no agreement is reached prior to the time for performance of said work, and Company elects to perform said work so as to avoid delays, then Company's estimate as to the value of said work shall be deemed accepted by Customer. In addition, Customer shall pay for all extra work requested by Customer or made necessary because of incompleteness or inaccuracy of plans or other information submitted by Customer with respect to the location, type of occupancy, or other details of the work to be performed. In the event the layout of Customer's facilities has been altered, or is altered by Customer prior to the completion of the Work, Customer shall advise Company, and prices, delivery and completion dates shall be changed by Company as may be required.

17. Commodities Availability. Company shall not be responsible for failure to provide services, deliver products, or otherwise perform work required by this Agreement due to lack of available steel products or products made from plastics or other commodities. 1) In the event Company is unable, after reasonable commercial efforts, to acquire and provide steel products, or products made from plastics or other commodities, if required to perform work required by this Agreement, Customer hereby agrees that Company may terminate the Agreement, or the relevant portion of the Agreement, at no additional cost and without penalty. Customer agrees to pay Company in full for all work performed up to the time of any such termination. 2) If Company is able to obtain the steel products or products made from plastics or other commodities, but the price of any of the products has risen by more than 10% from the date of the bid, proposal or date Company executed this Agreement, whichever occurred first, then Company may pass through that increase through a reasonable price increase to reflect increased cost of materials.

18. Project Claims. Any claim of failure to perform against Company arising hereunder shall be deemed waived unless received by Company, in writing specifically setting forth the basis for such claim, within ten (10) days after such claims arises.

19. Backcharges. No charges shall be levied against the Seller unless seventy-two (72) hours prior written notice is given to Company to correct any alleged deficiencies which are alleged to necessitate such charges and unless such alleged deficiencies are solely and directly caused by Company.

20. System Equipment. The purchase of equipment or peripheral devices (including but not limited to smoke detectors, passive infrared detectors, card readers, sprinkler system components, extinguishers and hoses) from Company shall be subject to the terms and conditions of this Agreement. If, in Company's sole judgment, any peripheral device or other system equipment, which is attached to the Covered System(s), whether provided by Company or a third party, interferes with the proper operation of the Covered System(s), Customer shall remove or replace such device or equipment promptly upon notice from Company. Failure of Customer to remove or replace the device shall constitute a material breach of this Agreement. If Customer adds any third party device or equipment to the Covered System(s), Company shall not be responsible for any damage to or failure of the Covered System(s) caused in whole or in part by such device or equipment.

21. Reports. Where inspection and/or test services are selected, such inspection and/or test shall be completed on Company's then current Report form, which shall be given to Customer, and, where applicable, Company may submit a copy thereof to the local authority having jurisdiction. The Report and recommendations by Company are only advisory in nature and are intended to assist Customer in reducing the risk of loss to property by indicating obvious defects or impairments noted to the system and equipment inspected and/or tested. They are not intended to imply that no other defects or hazards exist or that all aspects of the Covered System(s), equipment, and components are under control at the time of inspection. Final responsibility for the condition and operation of the Covered System(s) and equipment and components lies with Customer.

22. Limited Warranty. Subject to the limitations below, Company warrants any equipment (as distinguished from the Software) installed pursuant to this Agreement to be free from defects in material and workmanship under normal use for a period of one (1) year from the date of first beneficial use or all or any part of the Covered System(s) or 18 months after Equipment shipments, whichever is earlier, provided however, that Company's sole liability, and Customer's sole remedy, under this limited warranty shall be limited to the repair or replacement of the Equipment or any part thereof, which Company determines is defective, at Company's sole option and subject to the availability of service personnel and parts, as determined by Company. Company warrants expendable items, including, but not limited to, video and print heads, television camera tubes, video monitor displays tubes, batteries and certain other products in accordance with the applicable manufacturer's warranty. Company does not warrant devices designed to fail in protecting the System, such as, but not limited to, fuses and circuit breakers.

Company warrants that any Company software described in this Agreement, as well as software contained in or sold as part of any Equipment described in this Agreement, will reasonably conform to its published specifications in effect at the time of delivery and for ninety (90) days after delivery. However, Customer agrees and acknowledges that the software may have inherent defects because of its complexity. Company's sole obligation with respect to software, and Customer's sole remedy, shall be to make available published modifications, designed to correct inherent defects, which become available during the warranty period.

If Repair Services are included in this Agreement, Company warrants that its workmanship and material for repairs made pursuant to this Agreement will be free from defects for a period of ninety (90) days from the date of furnishing.

EXCEPT AS EXPRESSLY SET FORTH HEREIN, COMPANY DISCLAIMS ALL WARRANTIES, EXPRESS OR IMPLIED, INCLUDING BUT NOT LIMITED TO ANY IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE WITH RESPECT TO THE SERVICES PERFORMED OR THE PRODUCTS, SYSTEMS OR EQUIPMENT, IF ANY, SUPPORTED HEREUNDER. COMPANY MAKES NO WARRANTY OR REPRESENTATION, AND UNDERTAKES NO OBLIGATION TO ENSURE BY THE SERVICES PERFORMED UNDER THIS AGREEMENT, THAT COMPANY'S PRODUCTS OR THE SYSTEMS OR EQUIPMENT OF THE CUSTOMER WILL CORRECTLY HANDLE THE PROCESSING OF CALENDAR DATES BEFORE OR AFTER DECEMBER 31, 1999.

Warranty service will be performed during Company's normal working hours. If Customer requests warranty service at other than normal working hours, service will be performed at Company's then current rates for after hours services. All repairs or adjustments that are or may become necessary shall be performed by and authorized representative of Company. Any repairs, adjustments or interconnections performed by Customer or any third party shall void all warranties.

23. Indemnity. Customer agrees to indemnify, hold harmless and defend Company against any and all losses, damages, costs, including expert fees and costs, and expenses including reasonable defense costs, arising from any and all third party claims for personal injury, death, property damage or economic loss, including specifically any damages resulting from the exposure of workers to Hazardous Conditions whether or not Customer pre-notifies Company of the existence of said hazardous conditions, arising in any way from any act or omission of Customer or Company relating in any way to this Agreement, including but not limited to the Services under this Agreement, whether such claims are based upon contract, warranty, tort (including but not limited to active or passive negligence), strict liability or otherwise. Company reserves the right to select counsel to represent it in any such action.

24. Insurance. Customer shall name Company, its officers, employees, agents, subcontractors, suppliers, and

representatives as additional insureds on Customer's general liability and auto liability policies.

25. Termination. Any termination under the terms of this Agreement shall be made in writing. In the event Customer terminates this Agreement prior to completion for any reason not arising solely from Company's performance or failure to perform, Customer understands and agrees that Company will incur costs of administration and preparation that are difficult to estimate or determine. Accordingly, should Customer terminate this Agreement as described above, Customer agrees to pay all charges incurred for products and equipment installed and services performed, and in addition pay an amount equal to twenty (20%) percent of the price of products and equipment not yet delivered and Services not yet performed, return all products and equipment delivered and pay a restocking fee of twenty (20%) percent of the price of products or equipment returned.

Company may terminate this Agreement immediately at its sole discretion upon the occurrence of any Event of Default as hereinafter defined. Company may also terminate this Agreement at its sole discretion upon notice to Customer if Company's performance of its obligations under this Agreement becomes impracticable due to obsolescence of equipment at Customer's premises or unavailability of parts.

26. No Option to Solicit. Customer shall not, directly or indirectly, on its own behalf or on behalf of any other person, business, corporation or entity, solicit or employ any Company employee, or induce any Company employee to leave his or her employment with Company, for a period of two years after the termination of this Agreement.

27. Default. An Event of Default shall be 1) failure of the Customer to pay any amount within ten (10) days after the amount is due and payable, 2) abuse of the System or the Equipment, 3) dissolution, termination, discontinuance, insolvency or business failure of Customer. Upon the occurrence of an Event of Default, Company may pursue one or more of the following remedies, 1) discontinue furnishing Services, 2) by written notice to Customer declare the balance of unpaid amounts due and to become due under the this Agreement to be immediately due and payable, provided that all past due amounts shall bear interest at the rate of 1 1/2% per month (18% per year) or the highest amount permitted by law, 3) receive immediate possession of any equipment for which Customer has not paid, 4) proceed at law or equity to enforce performance by Customer or recover damages for breach of this Agreement, and 5) recover all costs and expenses, including without limitation reasonable attorneys' fees, in connection with enforcing or attempting to enforce this Agreement.

28. Exclusions. Unless expressly included in the Scope of Work, this Agreement expressly excludes, without limitation, testing inspection and repair of duct detectors, beam detectors, and UV/IR equipment; provision of fire watches; clearing of ice blockage; draining of improperly pitched piping; replacement of batteries; recharging of chemical suppression systems; reloading of, upgrading, and maintaining computer software; system upgrades and the replacement of obsolete systems, equipment, components or parts; making repairs or replacements necessitated by reason of negligence or misuse of components or equipment or changes to Customer's premises, vandalism, corrosion (including but not limited to micro bacterially induced corrosion ("MIC")), power failure, current fluctuation, failure due to non-Company installation, lightning, electrical storm, or other severe weather, water, accident, fire, acts of God or any other cause external to the Covered System(s). Repair Services provided pursuant to this Agreement do not cover and specifically excludes system upgrades and the replacement of obsolete systems, equipment, components or parts. All such services may be provided by Company at Company's sole discretion at an additional charge. If Emergency Services are expressly included in the scope of work section, the Agreement price does not include travel expenses.

29. Force Majeure; Delays. Company shall not be liable for any damage or penalty for delays or failure to perform work due to acts of God, acts or omissions of Customer, acts of civil or military authorities, Government regulations or priorities, fires, epidemics, quarantine, restrictions, war, riots, civil disobedience or unrest, strikes, delays in transportation, vehicle shortages, differences with workmen, inability to obtain necessary labor, material or manufacturing facilities, defaults of Company's subcontractors, failure or delay in furnishing complete information by Customer with respect to location or other details of work to be performed, impossibility or impracticability of performance or any other cause or causes beyond Company's control, whether or not similar to the foregoing. In the event of any delay caused as aforesaid, completion shall be extended for a period equal to any such delay, and this contract shall not be void or voidable as a result of the delay. In the event work is temporarily discontinued by any of the foregoing, all unpaid installments of the contract price, less an amount equal to the value of material and labor not furnished, shall be due and payable upon receipt of invoice by Customer.

30. One-Year Limitation on Actions; Choice of Law. It is agreed that no suit, or cause of action or other proceeding shall be brought against either party more than one (1) year after the accrual of the cause of action or one (1) year after the claim

arises, whichever is shorter, whether known or unknown when the claim arises or whether based on tort, contract, or any other legal theory. The laws of Massachusetts shall govern the validity, enforceability, and interpretation of this Agreement.

31. Assignment. Customer may not assign this Agreement without Company's prior written consent. Company may assign this Agreement to an affiliate without obtaining Customer's consent.

32. Entire Agreement. The parties intend this Agreement, together with any attachments or Riders (collectively the "Agreement") to be the final, complete and exclusive expression of their Agreement and the terms and conditions thereof. This Agreement supersedes all prior representations, understandings or agreements between the parties, written or oral, and shall constitute the sole terms and conditions of sale for all equipment and services. No waiver, change, or modification of any terms or conditions of this Agreement shall be binding on Company unless made in writing and signed by an Authorized Representative of Company.

33. Severability. If any provision of this Agreement is held by any court or other competent authority to be void or unenforceable in whole or in part, this Agreement will continue to be valid as to the other provisions and the remainder of the affected provision.

34. Legal Fees. Company shall be entitled to recover from the customer all reasonable legal fees incurred in connection with Company enforcing the terms and conditions of this Agreement.

RE: Field Tropical Ecology Course

BACKGROUND

This is the 20th year OPRFHS has been doing the trip and will be the 10th year working with Mark Wainwright. It is a privilege to have Mark as our primary contact/guide/coordinator. In the past Mark has worked and guided through Monteverde Institute in Monteverde, Costa Rica.

SUMMARY OF FINDINGS

Although Mark is the President of the Monteverde Conservation League http://www.monteverdeinfo.com/monteverde_conservation_league.htm, he has created a company of his own called Glassfrog Tours. He accommodates our needs like no other and I trust his expertise and experience with my students year after year.

RECOMMENDATIONS (OR FUTURE DIRECTIONS)

MOTION: To approve the agreement between Oak Park and River Forest High School and Mark Wainwright, Glassfrog Tours for the Field Tropical Ecology Course.

Dear Cindy/Cheryl or whom this may concern:

Below is the Memorandum of Agreement between Mark Wainwright and OPRFHS for the Field Tropical Ecology course. This is the 20th year OPRFHS has been doing the trip and will be the 10th year working with Mark Wainwright. It is a privilege to have Mark as our primary contact/guide/coordinator. In the past Mark has worked and guided through Monteverde Institute in Monteverde, Costa Rica. Although Mark is the President of the Monteverde Conservation League http://www.monteverdeinfo.com/monteverde_conservation_league.htm, he has created a company of his own called Glassfrog Tours. He accommodates our needs like no other and I trust his expertise and experience with my students year after year.

Thanks for continuing to support this course and our students.

Sincerely,
Kara Bohne

**AGREEMENT BETWEEN MARK WAINWRIGHT
AND OAK PARK AND RIVER FOREST HIGH SCHOOL**

The following is an agreement between Oak Park River Forest High School and Mark Wainwright, British passport no. 705030981; Costa Rican residency identity (cédula) no. 182600001928):

1. Mark Wainwright will design in conjunction with OPRF course leader Kara Bohne, coordinate, and lead an eleven-day field course in Costa Rica for Oak Park River Forest High School students and faculty, from June 19th to June 29th, 2011.

2. Mark Wainwright will negotiate, reserve, and pay for all food, lodging, transport, and activities specified in the attached itinerary (addendum 1), for seventeen Oak Park River Forest High School students, three Oak Park River Forest High School faculty, himself, and a bus driver.

3. In exchange for these services, Oak Park River Forest High School will pay Mark Wainwright U.S. \$1,920 per student, for a total of \$32,640. Mark Wainwright will absorb the cost of the three faculty members in the student fee and will not charge faculty. Half of the total amount will be deposited in the account stipulated on the attached invoice (addendum 2) by March 31st, 2011. The other half will be deposited in the same account by May 19th, 2011.

4. In the unlikely event of a medical emergency during the course in Costa Rica, Mark Wainwright will facilitate access to the best medical attention available but will not be responsible for paying for such attention or associated costs. All course participants will have a health insurance policy that covers them while in Costa Rica. All course participants will sign a form releasing Mark Wainwright from liability prior to or upon arrival in Costa Rica.

5. Many hotels and other service providers offer little or no refund for late cancellations. If a student withdraws from the course or if the entire course is cancelled before May 19th, 2011, Mark Wainwright will reimburse Oak Park River Forest High School with \$1,500 per withdrawn student. If a student withdraws from the course or if the entire course is cancelled between May 19th, 2011 and the start of the course, Mark Wainwright will reimburse Oak Park River Forest High School with \$800 per withdrawn student. There will be no refund for any withdrawals once the course has started.

We have read, understood, and agree to these terms:

RE: Summer Construction Update and Approval of Life Safety Amendment #22

BACKGROUND

Each year Oak Park and River Forest High School District 200 uses Life Safety Funds for projects allowed under this funding model by the Illinois State Board of Education (ISBE). This year many building improvement projects will be accomplished and some will use Life Safety Funds pending the approval of ISBE. Requesting permission from ISBE requires the submission of the attached Request for Authorization - Certification of Need for Fire Prevention and Safety Funds.

SUMMARY OF FINDINGS

Projects that are being proposed for this summer are identified as follows:

1. Removal and replacement of air handling units (AHU's) and related temperature control systems located in the attic of the 1924 building. Two existing air handling units (AHU-2 and AHU-4) are to be replaced with one new air handling unit (AHU-2).

Benefits from the proposed work include:

- New HVAC equipment will improve indoor air quality;
- New air handling unit will result in energy savings.

RECOMMENDATIONS

MOTION: To Approve the Life Safety Amendment as presented.

PART I. CERTIFICATION OF ESTIMATED COSTS

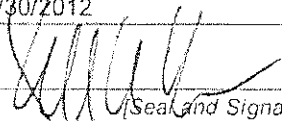

This is to certify that:

The OAK PARK & RIVER FOREST HIGH SCH school, located at 201 N Scoville Ave Oak Park, Illinois, and under the management and control of the Board of Education of School District # 2000, Cook County, was surveyed by me on 2/14/2011.

✓ All of the urgent or necessary work as indicated on the attached Form 35-48 is necessary to abate the violations of applicable code requirements and should result in effecting compliance with said requirements within prescribed timelines. No violations of applicable code requirements other than those cited in previously approved safety survey reports or amendments and those noted in this survey or amendment were noted.

All other work recommended in the attached Form 35-48, though not required to abate violations of applicable requirements of the Health/Life Safety Code for Public Schools, is recommended for energy conservation; disabled accessibility; school security; repair of school sidewalks, playgrounds, parking lots, or school bus turnarounds; and other repair purposes provided in Section 17 2.11 of the School Code.

The certified estimated cost figures were prepared by me and to the best of my knowledge are true and accurate estimates of the costs to execute the work as specified. The total estimated costs to finance the work involved is \$ 332,640.00.

PART II. CERTIFICATION OF NEED (Provided by district through IWAS)

The local Board of Education hereby certifies and assures the State Board of Education:

- Based upon the report of the architect referred to above, the district faces total estimated costs of \$ to finance the work involved.
- The district has \$ available in its operations and maintenance fund and/or fire prevention and safety fund to finance the work.
- The district needs to raise \$ in additional revenue through the levy of the Fire Prevention and Safety Tax or issuance of Bonds to finance the recommended work.
- Plans and specifications for the work will be submitted to the Regional Superintendent for review and approval.
- The work to be financed with Fire Prevention and Safety funds will not commence until the Certificate of Approval of the State Superintendent is received, the detailed plans and specifications have been approved by the regional superintendent and the regional superintendent (or other lawful agency) has issued an appropriate Order to Effect Compliance with the Health/Life Safety Code for public schools (or other lawful order requiring the work to be done).
- All work authorized by the District will be executed in conformity with all applicable codes.

RE: Athletic and Activity Stipends

BACKGROUND

Each year the Board of Education is asked to approve the FTE for athletic and activity positions and the budget amount for the total costs of stipends paid to personnel for performing in these programs. The stipends for these activities are determined by the collective bargaining agreement between the Board of Education and the Faculty Senate.

SUMMARY OF FINDINGS

Only the FTE and the dollar amounts are being presented to the Board of Education. Recommendations for personnel hiring will be presented at a regular Board meeting. Some positions may not be filled until the next school year due to the activity season.

NEXT STEP

MOTION: To approve the Athletic and Activity Stipend positions and budget for the 2011-2012 school year.

RE: Certified/Non-Certified Proposed FTE Summary for the 2011/2012 School Year

BACKGROUND

Each year the District provides to the Board of Education the proposed FTE summary for the next school following year.

It should be noted that the FTE calculation for hourly employees is based on the standard annual 2080 hours of work.

The attached document provides current FTE information for the 2011/2012 school year as well as historical information for the previous four-year period.

SUMMARY OF FINDINGS

As reflected on the chart the Faculty FTE has been reduced by 3.4 FTE when compared with the current this year's FTE. However, overall FTE for the 2011/2012 school year is projected to be 2.0 FTE less than the FTE totals for the 2010/2011 school year. The overall faculty FTE of 228.10 will not be adjusted. However, the exact FTE per subject may change based upon final student class selection.

It is important to note that changes may occur in the "Classified" group in the area of special education due to District requirements related to a student's IEP. The "Non-Affiliated" group reflects the additional of a position that has moved from contract to regular status. We have also moved members of the District Leadership Team to the "District Administration". There has not been an increase in administrative positions, just a reclassification.

The number of FTE associated with "Safety and Security" may change based upon the Board's further review of the closed campus question.

RECOMMENDATIONS

MOTION: To approve the proposed FTE for 2011/2012, noting the above possible exceptions.

RE: Stadium Usage by OPRF Youth Football

BACKGROUND

The Oak Park and River Forest Youth Football Association is a community sports organization, which serves as the main “feeder” program for our high school football teams. The relationship between the youth group and our high school program has been very positive over the past 9 years. The leadership at OPRF Youth Football has been cooperative in their use of our facilities, especially the stadium. We also feel that with the new facility usage policy and procedures our relationship will be even stronger going forward.

We feel that it is extremely important for the high school to continue to build and foster relationships with all of our community sports organizations and feeder groups. By opening the school’s doors, and allowing these groups the use of our facilities we are not only helping to build a solid base for our high school athletic teams, but more importantly we are nurturing the youth of our communities to be a part of Oak Park and River Forest HS, and Huskie Athletics in the future.

RECOMMENDATIONS

OPRF Youth Football has requested and been granted use of the stadium and field for their Sunday games for the past 9 years. It is our recommendation that this organization be allowed to use the stadium and field again for their home games during the 2011 fall season.

RE: Oak Park River Forest Youth Football Request to Use Facilities in 2011

Dear Members of the Board

I am writing on behalf of Oak Park River Forest Youth Football ("OPRFYF") to request your approval to allow OPRFYF to continue to rent the Stadium Facility for the purpose of hosting our home football games, and the grass practice fields to conduct practices for our youth football teams in 2011.

OPRFYF is a 501 C 3 not-for-profit corporation organized for the express purpose of providing a high quality football experience to the youth of our community. Our mission is to provide a broad and inclusive program of organized football for grade school children, substantially residing in Oak Park and River Forest, at a variety of levels based upon age, weight, and experience, with instruction to: (1) Improve and develop their capability to play the game of football; (2) Promote a positive sportsmanship and competitive attitude; and (3) Learn the appropriate balance between athletics and scholastic achievement, in order to prepare them for the opportunities they will face in high school and higher education.

Our program is comprised entirely of volunteers dedicated to providing a meaningful and enriching experience to the youth of our community. We are an open program, open to all community children between the ages of 7 and 14 years of age, and we also accept 6 year olds when appropriate. We do not cut players from our program based on skill or competence. We provide both instructional and highly competitive football opportunities. We expand our team numbers to provide meaningful playing time for all participants. We provide second-child discounts, and scholarship opportunities to families unable to pay the participation fees. Our policy is to find a way for every child who wishes to play football in our community to participate in our program.

In 2010, OPRFYF had 285 player participants organized into 12 separate football teams. Our players ranged in age from 6 years to 14 years, and in weight from 46 pounds to 278 pounds. We organized and participated in 114 football games over 11 weeks. Our program is highly diverse and reflects our community make up very well. In 2010 each player was offered approximately 140 hours of practice and game participation. Our 2010 graduating class has 55 experienced football players matriculating into the high school level.

We consider our program a feeder program for Oak Park River Forest High School. Many of our volunteers and supporters are Huskie Alumni, me included. We believe that having our youth program conduct its activities on OPRFHS fields is of paramount importance to creating a natural alignment with OPRF High School. Our players are exposed to the OPRF football team on a daily basis, and that exposure is an inspiration to our players as the high school team members and coaches are role models for them. On game day, our participants have a very high sense of pride in playing in the historic OPRF stadium. We are actively working to strengthen the alignment with the OPRF football program, and we are working

with John Hoerster to find ways to incorporate his learning objectives into our football program.

OPRFYF competes in the TCYFL (The Chicago Land Youth Football League) which is the largest independent football league in the country. TCYFL has 31 member communities fielding over 300 teams, and feeding many of the perennial ISHA Football State Playoff contending teams. OPRFYF has developed into a venerable participant in the highly competitive TCYFL football league. In recent years, we have produced ten (10) Super-Bowl championships, with an astounding accomplishment of five (5) Super-Bowl championships in the 2008 season. Our 2008 teams collectively had the highest winning percentage of any community in the TCYFL. Our success has and will continue to accrue to the benefit of the OPRF High School football teams.

Finally, OPRFYF places a very high emphasis on academic achievement and we stress the importance of developing strong study habits to prepare our participants for the rigorous and rewarding high school student-athlete experience. We have made positive contributions to many participants who have been in need of leadership and direction in the academic-athletic balance. We take great pride in seeing our alumni contributing academically and athletically at OPRF high school, and beyond in their college pursuit.

Last year, we initiated an effort to attract recent college graduates who participated in our program to return as coaches to give-back to the community. In 2011, we will have three additional recent college graduates who attended OPRF high school participating on our coaching staffs.

Accordingly, I respectfully request that the Board of Education of the Oak Park and River Forest High School approve OPRFYF's use of the Stadium Facilities and the practice fields for the 2011 season, and thereby allow us to continue to provide our mission to the Oak Park and River Forest communities.

Specifically, I request the use of the stadium on Sundays, commencing August 28th and continuing through October 23rd, 2011, with an opportunity to add up to five (5) Saturdays should the Stadium become available. Our program has become sufficiently large to require fourteen (14) to fifteen (15) home field dates. In 2010, roughly 35 percent of our home games were played in Elmhurst due to the lack of field availability in our community. Additionally, I request approval to add up to two (2) additional dates on October 29th, October 30th, November 6th, and November 7th to host playoff games in the event our program success affords us that opportunity.

Thank you for your consideration and support. GO HUSKIES!

Subj: Approval of 2011 GALA 4th of July Fireworks Show at Oak Park and River Forest High School

ACTION

Background

Every year OPRFHS receives a request from the GALA Foundation to proceed with the annual fireworks display. This year the fireworks will be held on Monday, July 4, 2011 or if inclement weather on Tuesday, July 5, 2011, at OPRFHS. GALA will provide a certificate of insurance prior to the event. We have not charged GALA for the use of our facilities.

Summary of Findings

GALA does a great job with this event. They use the resources of the Village and the Park District as well as those of OPRFHS to produce a wonderful community event. There have not been any issues surrounding the fireworks at the High School.

Recommendation:

Approve the motion to allow GALA to hold the annual 4th of July fireworks on the grounds of Oak Park and River Forest High School, subject to the submittal of a certificate of insurance.

Motion: Move to allow GALA to hold the annual 4th of July fireworks on the grounds of Oak Park and River Forest High School, subject to the submittal of a certificate of insurance.

Dear Dr. Isoye:

We are beginning plans for the Great American Lightshow Association Charitable Trust (GALA) annual Fourth of July Fireworks Show. With your permission, it is our intention to again hold the fireworks show on the grounds of Oak Park River Forest High School on the evening of Monday, July 4th. This marks the 37th annual fireworks show on OPRFHS fields.

On behalf of GALA, I ask that Oak Park River Forest High School be a partner in the 2011 fireworks event. All arrangements will be substantially the same as in past years. GALA representatives will coordinate with the staff of Oak Park High on all details of the show. GALA will deliver proof of insurance in the amount of \$ 5,000,000 to OPRFHS via mail at least two weeks prior to the show, naming OPRFHS as additional insured.

We will also seek appropriate authorization from the Village of Oak Park and Park District of Oak Park. Additionally, all aspects of the show will be coordinated with the Oak Park Fire and Police Departments.

The show will begin at dusk (approximately 9:10 pm) on Monday, July 4th. In the event of severely inclement weather, the event will be held the following evening on Tuesday, July 5th. We are looking forward to another great show with the support of your fine staff. Please feel free to contact me with any questions.

Sincerely,
