Exhibit - Checklist for Filling Board Vacancies by Appointment

The Board of Education fills a vacancy by either appointment or election. The Board uses this checklist for guidance when it must fill a vacancy by appointment. Some items contain guidelines along with explanations. For more information, see *Answers to FAQs Vacancies on the Board of Education*, published by a committee of the Illinois Council of School Attorneys, and available at: www.iasb.com/law/ICSAFAQsonBoardVacancies.pdf.

- ☐ **Confirm that the Board must fill the vacancy by appointment.**

Guidelines	Explanation
Review Board policy 2:70, <i>Vacancies on the Board of Education - Filling Vacancies</i> , to determine if a vacancy on the Board occurred and, if so, whether the successor will be selected by election or Board appointment.	Filling a vacancy by Board appointment or election depends upon when the vacancy occurred. If a vacancy occurs with less than: (1) 868 days remaining in the term of office, or (2) 88 days before the next regularly scheduled election for the vacant office, no election to fill the vacancy is held and the appointee serves the remainder of the term. At all other times, an appointee serves until the next regular school election, at which election a successor is elected to serve the remainder of the unexpired term. See 105 ILCS 5/10-10.

- ☐ **Notify the Regional Superintendent of the vacancy within 5 days of its occurrence (105 ILCS 5/10-10).**

- ☐ **Develop list of qualifications for appointment of a person to fill vacancy.**

Guidelines	Explanation
At a minimum, the Board uses election qualifications, that is, a candidate must meet the following: <ul style="list-style-type: none"> • Be a United States citizen. • Be at least 18 years of age. • Be a resident of Illinois and the District for at least one year immediately preceding the appointment. • Be a registered voter. • Not be a child sex offender. • Not hold another incompatible public office. • Not have a prohibited interest in any contract with the District. • Not be a school trustee. • Not hold certain types of prohibited State or federal 	<p>While the School Code does not expressly set forth eligibility requirements for appointment to a Board vacancy, the Board may want to use the qualifications for elected Board members listed in 105 ILCS 5/10-3 and 5/10-10.</p> <p>For guidance discussing other qualifications that the Board may want to consider, see IASB's <i>Recruiting School Board Candidates</i>, available at: www.iasb.com/elections/recruiting.pdf.</p> <p>For guidance regarding conflict of interest and incompatible offices, see <i>Answers to FAQs, Conflict of Interest and Incompatible Offices</i>, published by the Ill. <p>When additional qualifications apply, the following items may be included in the Board's list of qualifications:</p> <ul style="list-style-type: none"> • Meet all qualifications based upon the distribution of population among congressional townships in the district. • Meet all qualifications based upon the distribution of population among incorporated and unincorporated areas. 	<p>Board members of some community unit school districts may be subject to historical residential qualifications based on the distribution of population among congressional townships in the district or between the district's incorporated and unincorporated areas (105 ILCS 5/11A-8).</p>

1. No employee shall intentionally perform any “political activity” during any “compensated time,” as those terms are defined herein.
2. No Board member or employee shall intentionally use any District property or resources in connection with any political activity.
3. At no time shall any Board member or employee intentionally require any other Board member or employee to perform any political activity: (a) as part of that Board member’s or employee’s duties, (b) as a condition of employment, or (c) during any compensated time off, such as, holidays, vacation, or personal time off.
4. No Board member or employee shall be required at any time to participate in any political activity in consideration for that Board member or employee being awarded additional compensation or any benefit, whether in the form of a salary adjustment, bonus, compensatory time off, continued employment or otherwise; nor shall any Board member or employee be awarded additional compensation or any benefit in consideration for his or her participation in any political activity.

A Board member or employee may engage in activities that: (1) are otherwise appropriate as part of his or her official duties, or (2) are undertaken by the individual on a voluntary basis that are not prohibited by this policy.

Enforcement

The Board President and Superintendent shall seek guidance from the Board attorney concerning compliance with and enforcement of this policy and State ethics laws. The Board may, as necessary or prudent, appoint an Ethics Advisor for this task.

Written complaints alleging a violation of this policy shall be filed with the Superintendent or Board President. Exhibit - Guidance for Board Member Communications, Including Email Use

The Board of Education is authorized to discuss District business only at a properly noticed Board meeting (Open Meetings Act, 5 ILCS 120/1 *et seq.*). Other than during a Board meeting, a majority or more of a Board quorum may not engage in contemporaneous interactive communication, whether in person or electronically, to discuss District business. This *Guidance* assumes a Board has seven members and covers issues arising from Board policy 2:140, *Communications To and From the Board*.

Communications Outside of a Properly Noticed Board Meeting

1. The Superintendent or designee is permitted to email information to Board members. For example, the Superintendent may email Board meeting agendas and supporting information to Board members. When responding to a single Board member's request, the Superintendent should copy all other Board members and include a "do not reply/forward" alert to the group, such as: **"BOARD MEMBER ALERT: This email is in response to a request. Do not reply or forward to the group but only to the sender."**
2. Board members are permitted to discuss any matter except District business with each other, whether in person or by telephone or email, regardless of the number of members participating in the discussion. For example, they may discuss league sports, work, or current events.
3. Board members are permitted to provide information to each other, whether in person or by telephone or email, that is non-deliberative and non-substantive. Examples of this type of communication include scheduling meetings and confirming receipt of information.
4. A Board member is not permitted to discuss District business with more than one other Board member at a time, whether in person or by telephone or email. Stated another way, a Board member may discuss District business in person or by telephone or email with only one other Board member at a time. However, a Board member should not facilitate interactive communication by discussing District business in a series of visits with, or telephone calls or emails to, Board members individually.
5. A Board member should include a "do not reply/forward" alert when emailing a message concerning **District** business to more than one other Board member. The following is an example of such an alert: **"BOARD MEMBER ALERT: This email is not for interactive discussion purposes. The recipient should not reply to it or forward it to any other individual."**
6. Board members should not reply to or forward email received from another Board member.

When Must Email Be Retained?

Email, including attachments, that were "prepared, or having been or being used, received, possessed, or under the control of any public body," may be, depending on the content, subject to disclosure as a public record (Freedom of Information Act, 5 ILCS 140/2). Most email sent or received by individual Board members do not satisfy this definition of "public record" even when the content concerns District business. This is because individual Board members generally have no authority other than during a properly called Board meeting. However, there may be exceptions. Accordingly, Board members must be able to distinguish between official record and non-record messages.

Non-Record Messages

Email messages are “non-record messages” when individual Board members are acting in their individual capacities. This may occur, for example, when an individual Board member’s email describes his or her personal opinions concerning the District or is a response to a community member. **Warning:** these “personal opinions” or “responses” may constitute an illegal Board meeting under the Open Meetings Act if a majority or more of a quorum of the Board discusses District business using email. See the first section of this *Guidance*.

Other examples of non-record messages include:

1. Information from the Superintendent concerning meeting dates, agenda topics, or materials to prepare for or be discussed during a meeting.
2. Personal correspondence, such as, “Do you want to ride with me to the IASB workshop?”
3. Publications or promotional material from vendors, the IASB, or publicly available materials.
4. Correspondence from parents, staff, or community members.

Non-record messages are not “public records” under the Freedom of Information Act and do not need to be stored.

Official Record Messages

Email messages are “public records” under the Freedom of Information Act (FOIA) when they are “prepared, used, received, or possessed by, or under the control of” the District. Email that qualifies under FOIA as a “public record” will need to be stored only if it is evidence of the District’s organization, function, policies, procedures, or activities or contains informational data appropriate for preservation (Local Records Act, 50 ILCS 205/1 et seq.). An example is any email from a Board officer concerning a decision made in his or her capacity as an officer. A Board member must copy this type of email, herein called “official record messages,” to the appropriate District office where it will be stored on the Board member’s behalf. The District will delete these official record messages as provided in an applicable, approved retention schedule.

Important: Do not destroy any email concerning a topic that is being litigated without obtaining the Board attorney’s direction. In federal lawsuits there is an automatic discovery of virtually all types of electronically created or stored data that might be relevant. Attorneys will generally notify their clients at the beginning of a legal proceeding not to destroy any electronic records that might be relevant. For more discussion of a litigation hold, see 2:250-AP2, *Protocols for Record Preservation and Development of Retention Schedules*.

Committees

The Board of Education may establish committees to assist with the Board's governance function and, in some situations, to comply with State law requirements. These committees are known as Board committees and report directly to the Board. Committee members may include both Board members and non-Board members depending on the committee's purpose. The Board President makes all Board committee appointments unless specifically stated otherwise. Board committee meetings shall comply with the Open Meetings Act. A Board committee may not take final action on behalf of the Board – it may only make recommendations to the Board.

Special Board Committees

A special committee may be created for specific purposes or to investigate special issues. A special committee is automatically dissolved after presenting its final report to the Board or at the Board's discretion.

Standing Board Committees

A standing committee is created for an indefinite term although its members will fluctuate. Standing committees are:

1. Policy, Evaluation and Goals Committee. This committee researches policy issues, and provides information and recommendations to the Board.
2. Parent-Teacher Advisory Committee (Joint Committee on Student Behavior and Discipline). This committee assists in the development of student discipline policy and procedure. Its members are parents/guardians and teachers, and may include persons whose expertise or experience is needed. The committee reviews such issues as administering medication in the schools, reciprocal reporting between the School District and local law enforcement agencies regarding criminal offenses committed by students, student discipline, disruptive classroom behavior, school bus safety procedures, and the dissemination of student conduct information.
3. Behavioral Interventions Committee. This committee develops and monitors procedures for using behavioral interventions in accordance with Board policy 7:230, *Misconduct by Students with Disabilities*. At the Board President's discretion, the Parent-Teacher Advisory Committee shall perform the duties assigned to the Behavioral Interventions Committee.
4. Instruction and Curriculum Committee.
5. Finance Committee.

Nothing in this policy limits the authority of the Superintendent or designee to create and use committees that report to him or her or to other staff members.

14. Discussion of minutes of meetings lawfully closed under the Open Meetings Act, whether for purposes of approval by the body of the minutes or semi-annual review of the minutes as mandated by Section 2.06. 5 ILCS 120/2(c)(21).

The Board may hold a closed meeting, or close a portion of a meeting, by a majority vote of a quorum, taken at an open meeting. The vote of each Board member present, and the reason for the closed meeting, will be publicly disclosed at the time of the meeting and clearly stated in the motion and the meeting minutes.

A single motion calling for a series of closed meetings may be adopted when such meetings will involve the same particular matters and are scheduled to be held within 3 months of the vote.

No final Board action will be taken at a closed meeting.

Reconvened or Rescheduled Meetings

A meeting may be rescheduled or reconvened. Public notice of a rescheduled or reconvened meeting shall be given in the same manner as that for a special meeting, except that no public notice is required when the original meeting is open to the public and: (1) is to be reconvened within 24 hours, or (2) an announcement of the time and place of the reconvened meeting was made at the original meeting and there is no change in the agenda.

Special Meetings

Special meetings may be called by the President or by any 3 members of the Board by giving notice thereof, in writing, stating the time, place, and purpose of the meeting to remaining Board members by mail at least 48 hours before the meeting, or by personal service at least 24 hours before the meeting.

Public notice of a special meeting is given by posting a notice at the District's main office at least 48 hours before the meeting and by notifying the news media that have filed a written request for notice. A meeting agenda shall accompany the notice.

No matters will be discussed, considered, or brought before the Board at any special meeting other than such matters as were included in the stated purpose of the meeting.

Emergency Meetings

Public notice of emergency meetings shall be given as soon as practical, but in any event, before the meeting to news media that have filed a written request for notice.

Posting on the District Website

In addition to the other notices specified in this policy, the Superintendent or designee shall post the following on the District website: (1) the annual schedule of regular meetings, which shall remain posted until the Board approves a new schedule of regular meetings; (2) a public notice of all Board meetings; and (3) the agenda for each regular meeting which shall remain posted until the regular meeting is concluded.

If, however, that date conflicts with the celebration of Passover, the consolidated election is postponed to the first Tuesday following the last day of Passover. At the organizational meeting the following shall occur:

1. Each successful candidate, before taking his or her seat on the Board, shall take the oath of office as provided in Board policy 2:80, *Board Member Oath and Conduct*.

4. The Board shall fix a time and date for its regular meetings.

Agenda

The Board of Education President is responsible for focusing the Board meeting agendas on appropriate content. The Superintendent shall prepare agendas in consultation with the Board President. The President shall designate a portion of the agenda as a consent agenda for those items that usually do not require discussion or explanation before Board action. Upon the request of any Board member, an item will be withdrawn from the consent agenda and placed on the regular agenda for independent consideration.

Any Board member may submit suggested agenda items to the Board President for his or her consideration. District residents may suggest inclusions for the agenda. Items may be added to the agenda at the beginning of a regular meeting; no action will be taken on such items.

The Superintendent shall provide a copy of the agenda, with adequate data and background information, to each Board member at least 48 hours before each meeting, except a meeting held in the event of an emergency. The meeting agenda shall be posted in accordance with Board policy 2:200, *Types of Board of Education Meetings*.

The Board President shall determine the order of business at regular Board meetings. Upon consent of a majority of members present, the order of business at any meeting may be changed.

Voting Method

Unless otherwise provided by law, when a vote is taken upon any measure before the Board, with a quorum being present, a majority of the votes cast shall determine its outcome. A vote of "abstain" or "present," or a vote other than "yea" or "nay," or a failure to vote, is counted for the purposes of determining whether a quorum is present. A vote of "abstain" or "present," or a vote other than "yea" or "nay," or a failure to vote, however, is not counted in determining whether a measure has been passed by the Board, unless otherwise stated in law. The sequence for casting votes shall be from the newest member to the most senior members.

On all questions involving the expenditure of money and on all questions involving the closing of a meeting to the public, a roll call vote shall be taken and entered in the Board's minutes. An individual Board member may request that a roll call vote be taken on any other matter; the President or other presiding officer may approve or deny the request but a denial is subject to being overturned by a majority vote of the members present.

Any Board member may request that his or her vote be changed before the President announces the result.

Minutes

The Board Secretary shall keep written minutes of all Board meetings (whether open or closed), which shall be signed by the President and the Secretary. The minutes include:

1. The meeting's date, time, and place;
2. Board members recorded as either present or absent;
3. A summary of the discussion on all matters proposed, deliberated, or decided, and a record of any votes taken;
4. On all matters requiring a roll call vote, a record of who voted "yea" and "nay";

5. If the meeting is adjourned to another date, the time and place of the adjourned meeting;
6. The vote of each member present when a vote is taken to hold a closed meeting or portion of a meeting, and the reason for the closed meeting with a citation to the specific exception contained in the Open Meetings Act authorizing the closed meeting;
7. A record of all motions, including individuals making and seconding motions;
8. Upon request by a Board member, a record of how he or she voted on a particular motion; and
9. The type of meeting, including any notices and, if a reconvened meeting, the original meeting's date.

The minutes shall be submitted to the Board for approval or modification at its next regularly scheduled open meeting. Minutes for open meetings must be approved within 30 days after the meeting or at the second subsequent regular meeting, whichever is later.

At least semi-annually in an open meeting, the Board: (1) reviews minutes from all closed meetings that are currently unavailable for public release, and (2) decides which, if any, no longer require confidential treatment and are available for public inspection. The Board may meet in a prior closed session to review the minutes from closed meetings that are currently unavailable for public release.

The Board's meeting minutes must be submitted to the Board Treasurer at such times as the Treasurer may require.

The official minutes are in the custody of the Board Secretary. Open meeting minutes are available for inspection during regular office hours within 10 days after the Board's approval; they may be inspected in the District's main office, in the presence of the Secretary, the Superintendent or designee, or any Board member. Minutes from closed meetings are likewise available, but only if the Board has released them for public inspection. The minutes shall not be removed from the Superintendent's office except by vote of the Board or by court order.

The Board's open meeting minutes shall be posted on the District website within 10 days after the Board approves them; the minutes will remain posted for at least 60 days.

Verbatim Record of Closed Meetings

The Superintendent, or the Board Secretary when the Superintendent is absent, shall audio record all closed meetings. If neither is present, the Board President or presiding officer shall assume this responsibility. After the closed meeting, the person making the audio recording shall label the recording with the date and store it in a secure location. The Superintendent shall ensure that: (1) an audio recording device and all necessary accompanying items are available to the Board for every closed meeting, and (2) a secure location for storing closed meeting audio recordings is maintained within the District's main office.

After 18 months have passed since being made, the audio recording of a closed meeting is destroyed provided the Board approved: (1) its destruction, and (2) minutes of the particular closed meeting.

Individual Board members may listen to verbatim recordings when that action is germane to their responsibilities. In the interest of encouraging free and open expression by Board members during closed meetings, the recordings of closed meetings should not be used by Board members to confirm or dispute the accuracy of recollections.

Quorum and Participation by Audio or Video Means

A quorum of the Board must be physically present at all Board meetings. A majority of the full membership of the Board constitutes a quorum.

Provided a quorum is physically present, a Board member may attend a meeting by video or audio conference if he or she is prevented from physically attending because of: (1) personal illness or disability, (2) employment or District business, or (3) a family or other emergency. If a member

wishes to attend a meeting by video or audio means, he or she must notify the recording secretary or Superintendent at least 24 hours before the meeting unless advance notice is impractical. The recording secretary or Superintendent will inform the Board President and make appropriate arrangements. A Board member who attends a meeting by audio or video means, as provided in this policy, may participate in all aspects of the Board meeting including voting on any item.

Rules of Order

Unless State law or Board-adopted rules apply, the Board President, as the presiding officer, will use Robert's Rules of Order, Newly Revised (10th Edition), as a guide when a question arises concerning procedure.

Broadcasting and Recording Board Meetings

Any person may record or broadcast an open Board meeting. Special requests to facilitate recording or broadcasting an open Board meeting, such as seating, writing surfaces, lighting, and access to electrical power, should be directed to the Superintendent at least 24 hours before the meeting.

Recording meetings shall not distract or disturb Board members, other meeting participants, or members of the public. The Board President may designate a location for recording equipment, may restrict the movements of individuals who are using recording equipment, or may take such other steps as are deemed necessary to preserve decorum and facilitate the meeting.

Meeting Minutes Protocol

1. Meeting minutes are the permanent record of the proceedings during a Board of Education meeting. All Board action must be recorded in the minutes; thus, the minutes focus on Board action.
2. The minutes only include information provided at the meeting. Information may not be corrected or updated in the minutes unless it was discussed at the meeting.
3. Minutes include a summary of the Board's discussion on an agenda topic; the minutes do not state what is said verbatim. The minutes do not repeat the same point made by different individuals. If appropriate, the minutes include a brief background and an explanation of the circumstances surrounding an issue discussed. The minutes do not include the names of members making specific points during discussion. Requests from individual Board members to include their vote or an opinion are handled according to Board policy 2:220, *Board of Education Meeting Procedure*.
4. The minutes include the topic of reports that are made to the Board including reports from the Superintendent or a Board committee. Written reports are filed with the minutes but do not become part of the minutes.
5. The minutes note when a member is not present for the entire meeting due to late arrival and/or early departure.
6. Although items may be considered by the Board in a different order than appeared on the agenda, items in the minutes are generally recorded in the same order as they appeared on the agenda. When a meeting is reconvened on a different date, the minutes must describe what happened on each meeting date.
7. The minutes should be recorded in an objective but positive/constructive tone. Answers and explanations, rather than questions, are recorded. Writing style, including choice of words and sentence structure, is at the discretion of the individual recording the minutes.
8. The minutes include individuals' names who speak during the meeting's public participation segment as well as the topics they address. All written documents presented at a Board meeting are filed with the minutes but do not become part of the minutes.
9. The following template generally governs meeting minutes.

¹ Other than the required inclusions, the listed meeting protocols are at the board's discretion. They should facilitate a discussion and common understanding concerning what the board wants recorded in its meeting minutes. The required inclusions for meeting minutes are: (5 ILCS 120/2.06)

2. Board members recorded as either present or absent;

Public Participation at Board of Education Meetings and Petitions to the Board

At each regular and special open meeting, members of the public and District employees may comment to or ask questions of the Board of Education, subject to reasonable constraints.

The individuals appearing before the Board are expected to follow these guidelines:

1. Address the Board only at the appropriate time as indicated on the agenda and when recognized by the Board President.
2. Identify oneself and be brief. Ordinarily, comments shall be limited to 5 minutes. In unusual circumstances, and when an individual has made a request in advance to speak for a longer period of time, the individual may be allowed to speak for more than 5 minutes.
3. Observe the Board President's decision to shorten public comment to conserve time and give the maximum number of individuals an opportunity to speak.

PROCEDURES FOR ADDRESSING THE BOARD

1. Employees, students, and members of the public wishing to address the Board may be placed on the agenda of any regular or special meeting which is open to the public by filing a written request with the Clerk of the Board at least ten (10) days before the scheduled meeting unless the Board of Education President otherwise permits. Unless the Board decides otherwise, presentations on any given topic may not exceed fifteen (15) minutes.
2. At each regular and special meeting open to the public, time will be set aside for comments and questions from employees, students, and members of the public. The Board may also allow comments from employees, students, and members of the public during the discussion of any item on the agenda. The Board reserves the right to limit the time for individual comments.
3. During the Comments from Visitors section of the Board meeting, comments on non-agenda items concerning matters within the jurisdiction of the Board of Education are invited. Comments or questions relating to other governmental bodies or to other employees should be directed to them.

If a response is indicated or requested, any Board of Education member may give a response. The President of the Board of Education has the responsibility to chair the meeting, maintain decorum, and ensure that a balance is maintained between Board-public engagement and appropriate length of a meeting. Thus, the Board President may establish reasonable time limitations for public comment, and for Board member responses to public comments on non-agenda items.

Board of Education

Board Policy Development

The Board of Education governs using written policies. Written policies ensure legal compliance, establish Board processes, articulate District ends, delegate authority, and define operating limits. Board policies also provide the basis for monitoring progress toward District ends.

Policy Development

Anyone may propose new policies, changes to existing policies, or deletion of existing policies. Staff suggestions should be processed through the Superintendent. Suggestions from all others should be made to the Board President or the Superintendent.

A Board Policy Committee will consider all policy suggestions and provide information and recommendations to the Board.

The Superintendent is responsible for: (1) providing relevant policy information and data to the Board, (2) notifying those who will implement or be affected by or required to implement a proposed policy and obtaining their advice and suggestions, and (3) having policy recommendations drafted into written form for Board deliberation. The Superintendent shall seek the counsel of the Board Attorney when appropriate.

Policy Adoption and Dissemination

Policies or policy revisions will not be adopted at the Board meeting at which they are first introduced, except when: (1) appropriate for a consent agenda because no Board discussion is required, or (2) necessary or prudent in order to meet emergency or special conditions or to be legally compliant. Further Board consideration will be given at a subsequent meeting(s) and after opportunity for community input. The adoption of a policy will serve to supersede all previously adopted policies on the same topic.

The Board policies are available for public inspection in the District's main office during regular office hours. Copy requests should be made pursuant to Board policy 2:250, *Access to District Public Records*.

Board Policy Review and Monitoring

The Board will periodically review its policies for relevancy, monitor its policies for effectiveness, and consider whether any modifications are required. The Board may use an annual policy review and monitoring calendar.

Superintendent Implementation

The Board will support any reasonable interpretation of Board policy made by the Superintendent. If reasonable minds differ, the Board will review the applicable policy and consider the need for further clarification.

In the absence of Board policy, the Superintendent is authorized to take appropriate action.

Suspension of Policies

The Board, by a majority vote of members present at any meeting, may temporarily suspend a Board policy except those provisions that are controlled by law or contract. The failure to suspend with a specific motion does not invalidate the Board action.

Access to District Public Records

Full access to the District's *public records* is available to any person as provided in the Illinois Freedom of Information Act (FOIA), this policy, and implementing procedures.

Freedom of Information Officer

The Clerk of the Board shall serve as the District's Freedom of Information Officer and is assigned all the duties and powers of that office as provided in FOIA and this policy. The Superintendent may delegate these duties and powers to one or more designees but the delegation shall not relieve the Superintendent of the responsibility for the action that was delegated. The Superintendent or designee(s) shall report any FOIA requests and the status of the District's response to the Board at each regular Board meeting.

Definition

The District's *public records* are defined as records, reports, forms, writings, letters, memoranda, books, papers, maps, photographs, microfilms, cards, tapes, recordings, electronic data processing records, electronic communications, recorded information and all other documentary materials pertaining to the transaction of public business, regardless of physical form or characteristics, having been prepared by or for, or having been or being used by, received by, in the possession of, or under the control of the School District.

Requesting Records

A request for inspection and/or copies of public records must be made in writing and may be submitted by personal delivery, mail, telefax, or email directed to the District's Freedom of Information Officer. Individuals making a request are not required to state a reason for the request other than to identify when the request is for a commercial purpose or when requesting a fee waiver. All requests for inspection and copying shall immediately be forwarded to the District's Freedom of Information Officer or designee.

Responding to Requests

The Freedom of Information Officer shall approve all requests for public records unless:

1. The requested material does not exist;
2. The requested material is exempt from inspection and copying by the Freedom of Information Act; or
3. Complying with the request would be unduly burdensome.

Within 5 business days after receipt of a request for access to a public record, the Freedom of Information Officer shall comply with or deny the request, unless the time for response is extended as specified in Section 3 of FOIA. The Freedom of Information Officer may extend the time for a response for up to 5 business days from the original due date. If an extension is needed, the Freedom of Information Officer shall: (1) notify the person making the request of the reason for the delay, and (2) either inform the person of the date on which a response will be made or agree with the person in writing on a compliance period.

When responding to a request for a record containing both exempt and non-exempt material, the Freedom of Information Officer shall redact exempt material from the record before complying with the request.

Copying Fees

Persons making a request for copies of public records must pay any applicable copying fee. The Freedom of Information Officer shall, as needed, recommend a copying fee schedule for the Board's approval. Copying fees, except when fixed by statute, are reasonably calculated to reimburse the District's actual cost for reproducing and certifying public records and for the use, by any person, of its equipment to copy records. No fees shall be charged for the first 50 pages of black and white, letter or legal sized copies. No fee shall be charged for electronic copies other than the actual cost of the recording medium.

Access

The inspection and copying of a public record that is the subject of an approved access request is permitted at the District's administrative office during regular business hours, unless other arrangements are made by the Freedom of Information Officer.

Many public records are immediately available from the District's website including, but not limited to, a description of the District and the methods for requesting a public record.

Preserving Public Records

Public records, including email messages, shall be preserved and cataloged if: (1) they are evidence of the District's organization, function, policies, procedures, or activities, (2) they contain informational data appropriate for preservation, (3) their retention is required by State or federal law, or (4) they are subject to a retention request by the Board Attorney (e.g. a litigation hold), District auditor, or other individual authorized by the Board of Education or State or federal law to make such a request. Unless its retention is required as described in items numbered 3 or 4 above, a public record, as defined by the Illinois Local Records Act, may be destroyed when authorized by the Local Records Commission.

The Complaint Manager will attempt to resolve complaints without resorting to this grievance procedure and, if a complaint is filed, to address the complaint promptly and equitably. The right of a person to prompt and equitable resolution of a complaint filed hereunder shall not be impaired by the person's pursuit of other remedies. Use of this grievance procedure is not a prerequisite to the pursuit of other remedies and use of this grievance procedure does not extend any filing deadline related to the pursuit of other remedies. All deadlines under this procedure may be extended by the Complaint Manager as he or she deems appropriate. As used in this policy, "school business days" means days on which the District's main office is open.

Filing a Complaint

A person (hereinafter Complainant) who wishes to avail him or herself of this grievance procedure may do so by filing a complaint with any District Complaint Manager. The Complainant shall not be required to file a complaint with a particular Complaint Manager and may request a Complaint Manager of the same gender. The identity of any student witnesses will not be disclosed except: (1) as required by law or any collective bargaining agreement, or (2) as necessary to fully investigate the complaint, or (3) as authorized by the parent/guardian of the student witness, or by the student if the student is 18 years of age or older.

Within 30 school business days of the date the complaint was filed, the Complaint Manager shall file a written report of his or her findings with the Superintendent. The Complaint Manager may request an extension of time. If a complaint of sexual harassment contains allegations involving the Superintendent, the written report shall be filed with the Board, which will make a decision in accordance with the following section of this policy. The Superintendent will keep the Board informed of all complaints.

Decision and Appeal

Within 5 school business days after receiving the Complaint Manager's report, the Superintendent shall mail his or her written decision to the Complainant by U.S. mail, first class, as well as to the Complaint Manager.

Within 10 school business days after receiving the Superintendent's decision, the Complainant may appeal the decision to the Board by making a written request to the Complaint Manager. The Complaint Manager shall promptly forward all materials relative to the complaint and appeal to the Board. Within 30 school business days, the Board shall affirm, reverse, or amend the Superintendent's decision or direct the Superintendent to gather additional information. Within 5 school business days of the Board's decision, the Superintendent shall inform the Complainant of the Board's action.

This grievance procedure shall not be construed to create an independent right to a hearing before the Superintendent or Board. The failure to strictly follow the timelines in this grievance procedure shall not prejudice any party.

Appointing Nondiscrimination Coordinator and Complaint Managers

The Superintendent shall appoint a Nondiscrimination Coordinator to manage the District's efforts to provide equal opportunity employment and educational opportunities and prohibit the harassment of employees, students, and others.

Any staff member may request identification from any person on school property; refusal to provide such information is a criminal act. The Building Principal or designee shall seek the immediate removal of any person who refuses to provide requested identification.

Accommodating Individuals with Disabilities

Individuals with disabilities shall be provided an opportunity to participate in all school-sponsored services, programs, or activities and will not be subject to illegal discrimination. When appropriate, the District may provide to persons with disabilities aids, benefits, or services that are separate or different from, but as effective as, those provided to others.

The District will provide auxiliary aids and services when necessary to afford individuals with disabilities equal opportunity to participate in or enjoy the benefits of a service, program, or activity.

Each service, program, or activity operated in existing facilities shall be readily accessible to, and useable by, individuals with disabilities. New construction and alterations to facilities existing before January 26, 1992, will be accessible when viewed in their entirety.

The Superintendent or designee is designated the Title II Coordinator and shall:

1. Oversee the District's compliance efforts, recommend necessary modifications to the Board of Education, and maintain the District's final Title II self-evaluation document and keep it available for public inspection for at least 3 years after its completion date.
2. Institute plans to make information regarding Title II's protection available to any interested party.

Individuals with disabilities should notify the Superintendent or Building Principal if they have a disability that will require special assistance or services and, if so, what services are required. This notification should occur as far in advance as possible of the school-sponsored function, program, or meeting.

Individuals with disabilities may allege a violation of this policy or federal law by reporting it to the Superintendent or designated Title II Coordinator, or by filing a grievance under the Uniform Grievance Procedure.

Gifts to the District

The Board of Education accepts gifts from any education foundation or other entity or individual, provided the gift can be used in a manner compatible with the Board's educational objectives and policies. While the Board encourages unrestricted gifts, donations to fund specific projects are acceptable if the project is approved by the Board. The Superintendent shall develop procedures for review and approval of donations that involve incorporating messages into or placing messages upon school property. All gifts received become the School District's property.

Parent Organizations and Booster Clubs

Parent organizations and booster clubs are invaluable resources to the District's schools. While parent organizations and booster clubs have no administrative authority and cannot determine District policy, the Board of Education welcomes their suggestions and assistance.

Parent organizations and booster clubs are recognized by the Board and permitted to use the District's name, the District school's name, or the District school's team name, or any logo attributable to the District provided they first receive the Superintendent or designee's express written consent. Consent to use one of the above-mentioned names or logos will generally be granted if the organization or club has by-laws containing the following:

1. The organization's or club's name and purpose, such as, to enhance students' educational experiences, to help meet educational needs of students, to provide extra athletic benefits to students, to assist specific sports teams or academic clubs through financial support, or to enrich extracurricular activities.
2. The rules and procedures under which it operates.
3. An agreement to adhere to all Board policies and administrative procedures.
4. An agreement not to engage in discrimination based on someone's innate characteristics or membership in a suspect classification.
5. A statement that the District is not, and will not be, responsible for the organization's or club's business or the conduct of its members.
6. An agreement to maintain and protect its own finances.
7. A recognition that money given to a school cannot be earmarked for any particular expense. Booster clubs may make recommendations, but cash or other valuable consideration must be given to the District to use at its discretion. The Board's legal obligation to comply with Title IX by providing equal athletic opportunity for members of both genders will supersede an organization or club's recommendation.

Permission to use one of the above-mentioned names or logos may be rescinded at any time and does not constitute permission to act as the District's representative. At no time does the District accept responsibility for the actions of any parent organization or booster club regardless of whether it was recognized and/or permitted to use any of the above-mentioned names or logos. The Superintendent shall designate an administrative staff member to serve as the liaison to parent organizations or booster clubs. The liaison will serve as a resource person and provide information about school programs, resources, policies, problems, concerns, and emerging issues. Building staff will be encouraged to participate in the organizations.

RE: Goals

Background and Rationale

The BOE ended its last meeting with the understanding that it would complete its goals in August. In July, the Board had received the statements for five areas of focus and responded to the wording of them. As such, a copy of the original wording and the suggestions were provided. Along with the draft statements, areas of action were provided for consideration.

DLT has also suggested modifications for the Board of Education to consider as it looks at its action steps. DLT is moving to develop a SMART goal for several statements. It is important for the Board of Education to understand that SMART goals are targets or aspirations, and it is possible to fall short of the target. In addition, the Board of Education is being asked to consider developing a SMART goal for statement five, Governance. More information about SMART goals can be found at http://en.wikipedia.org/wiki/SMART_criteria.

Included in the Board packet are:

- 1) Draft of statements;
- 2) Spreadsheet action statements given by Board members; and
- 3) Actions to be considered.

Next Steps

Finalize the statements and the actions as the Board goals for 2011-2012.

Statement 1: Racial Equity

Original

The Board of Education will provide an inclusive education for all students and take action to eliminate racial predictability and disproportionality in student achievement and reduce systemic inhibitors to success for students and staff of color.

Board member suggestion

The Board of Education will provide an inclusive education for all students and take action to eliminate racial predictability and disproportionality in student achievement and **ELIMINATE** systemic inhibitors to success for students and staff of color **AT OPRFHS**.

Board member suggestion

The Board of Education will increase student **ACHIEVEMENT**, through **HIGH** quality classroom instruction **AND INCREASED OPPORTUNITIES FOR TEACHER/STUDENT CONTACT. THE BOARD OF EDUCATION WILL INCREASE STUDENT ENGAGEMENT THROUGH A SUPPORT SYSTEM OF ADULTS WHO COACH AND MENTOR STUDENTS , IN CLASS, IN** co-curricular and extra-curricular activities and **THROUGH** enhanced learning opportunities..

Board member suggestion

The Board of Education will oversee the financial and operational conditions of the District. **THE BOE WILL BALANCE THE USE OF ACCOUNT funds / RESERVES AND equitable operational practices WITH THE SUPPORT OF educational programs THAT IMPROVE STUDENT OUTCOMES**, hiring practices and facilities.

Statement 5: Governance

Original

The Board of Education will ensure that accountability frameworks for policy and data are established.

Board member suggestion

The Board of Education will ensure that accountability frameworks for policy and data are established **AND IMPLEMENTED.**

Goal: The Superintendent will empower interested faculty members and administrative staff to articulate clear mission statements and lead efforts to improve the quality of instruction and thereby improve academic achievement for all students, and particularly students of color.

GOAL -- INCREASE BY 100% THE NUMBER OF STUDENTS SUBMITTING APPLICATIONS FOR SUMMER EMPLOYMENT AT OPRFHS

a. Continue Courageous Conversations activities, including the Board as feasible, aiming closer to the classroom and an assessment of how this can positively impact the students and school culture (crosses with #3)

The Superintendent will recommend to the board by May, 2012 a framework and vision for closing the "achievement gap" that will:

b. Evaluation of student course selection and how this may inhibit long-term achievement; assessment of whether specific counselors "limit" course selection, esp for students of color; survey staff about what limits their success

GOAL -- SUMMER STUDENT HIRES WILL REFLECT THE OVERALL DEMOGRAPHICS OF THE HS

GOAL -- SCHOOL YEAR STUDENT HIRES WILL REFLECT THE OVERALL DEMOGRAPHICS OF THE HS.

Strategy - All Students enrolling at OPRFHS will receive information about student employment in the HS. Advisory periods will be used to instruct students in the skills needed for employment. Job coaches will be provided to mentoring and help to new student employees.

GOAL -- EACH YEAR, EVERY STUDENT WILL COMPLETE APPLICATIONS TO 3 COLLEGES OR UNIVERSITIES.

Strategy -- Advisory periods will be used to instruct students in the skills needed to complete a college or university application.

1. Identify those aspects of the "achievement gap" that our district is best prepared to deal with effectively.
2. Describe the overall initial strategy recommended for dealing with the areas indicated above.

3. Identify (in broad terms) the segment(s) of the student body that would form the initial target group(s).

4. Describe the means by which the above efforts would be evaluated.

5. Outline the process or method by which this initial strategy and planning would be modified or extended in the light of our initial experiences.

As a first step in analyzing the relationships between (1) anomalous or unusual student racial distributions in courses or sections of course offered, (2) the entrance or assignment criteria or other factors that affect students' entry into those courses or sections, and (3) the specific purposes or functions of those courses or sections, the district will produce a statistical report of the student racial distribution of each course offered in the 2011-12 year, and make it available to the administration and school board.

GOAL – HS STUDENTS, WHO WILL BE 1ST GENERATION COLLEGE STUDENTS, WILL RECEIVE ADDITIONAL ADULT SUPPORT IN COMPLETING THE APPLICATION AND SCHOLARSHIP PROCESS

Strategy – Each student will be assigned a district employed adult to coach and mentor the student through the application and scholarship process.

GOAL – A STUDENT EQUITY TEAM WILL BE CONVENED IN FALL OF 2011 TO HEAR STUDENT CONCERNS AND IDEAS ON RACE AND THE LEARNING ENVIRONMENT DURING THE 2011-2012 SCHOOL YEAR.

Strategy – Under the guidance of a faculty advisor, students will self select to join the equity team. The team will experiment with multiple ways to hear student concerns and ideas and document their work. The team will report to the BOE quarterly on their work.

ACTION STEPS FOR EACH STATEMENT

Statement 1

- CCAR and PEG leadership training for systemic wide discussions about race multiple stakeholders;
- Review of Policy Manual with CCAR participants for racial equity; and
- Drill deep into the data to determine patterns of experience for students starting with course placements and E-PAS data based on race.

Statement 2

- Implement District scorecard to report on student achievement trends;
- Obtain and review longitudinal data on post secondary activities and success of students; and
- Prepare advisory and student mentor programs for review and adaptation in 2011-2012 school year.
- Using fall SRI data as a baseline, increase the proportion of freshman students reading at grade level by 10%.
- Articulate a plan moving forward that addresses the work necessary to close the achievement gap.

Statement 3

- Support and increase participation and programming available to parents and revive PTO as a parent participation option;
- Identify and implement specific discipline and positive behavior intervention through PBIS to reduce total ISS and OSS infractions and days spent in ISS and OSS for target areas by 10% compared with the 2010-2011 outcomes;
- To implement a climate survey to identify within the school culture the interactions between students to students, adults to adults and student to adults; and
- Develop a lunch period task force to develop on campus lunch period options for students.

Statement 4

- Implement FAC Model for efficient and effective management outcomes;
- Identify appropriate recruiting and hiring practices to attract quality candidates for all staff and student positions including methods of retention for staff;
- Increase recruitment activities to targeted minority teaching candidates by 20% compared with 2009/2010 recruitment efforts.
- Successful completion of negotiations; and
- Work with Districts 90 and 97 and private school for increased shared services.

Statement 5

- Initiative Discussion and establish framework for Strategic Plan for District, to start in earnest in fall 2012 (included here but overlaps all five statements);
- Continue with Board retreats to refine Board governance and efficiency, including methods of assessing additional activities for Board to learn to streamline its role in District operations; and
- Convene Board task force (perhaps 2 members with Superintendent) to identify appropriate instrument for annual Superintendent evaluation
