Principal's Message

It is hard to believe, but we are just about at the end of the 22-23 school year. This tends to be the busiest time of the year, with final games, performances, projects, awards ceremonies and a lot of fun end of the year activities. Our Seniors are getting ready to graduate, and all of our students are looking forward to wrapping up their classes and making it to summer. With all that is going on, it is important that students stay focused on their classes and finish the semester strong. Students should be checking grades, completing their assignments, and meeting with their teachers if they need additional support. Please encourage your student to reflect on their current progress, plan for the next few weeks, and reach out for help if they need it. We all want every student to have a great end to the semester, and I appreciate your partnership in getting all of our students across the finish line.

Daniel Ryan
Principal

Teen Leadership program

The YMCA of Northern Colorado, CU Boulder and the Boulder Valley, St. Vrain Valley and Thompson School Districts have developed a free program to provide selected local high school sophomores, juniors and seniors with foundational leadership skills. Through hands-on projects, intrapersonal and interpersonal exploration and mentoring from community leaders, Lead Colorado helps young leaders form self-awareness about their personal mission and values. While completing capstone projects, participants will give back to the community and show their leadership capabilities. Lead Colorado will work to develop purposeful, ethical leaders who are equipped to have a significant impact in our community. More information can be found [here](#).

Title IX Student Council Accepting Applications for the 2023-2024 School Year

The BVSD Student Title IX Council is accepting applications for the 2023-2024 school year! The Council is comprised of students who are interested in collaborating with the District regarding issues of sexual violence, harassment and gender discrimination. Students participating in the council complete Title IX related projects and play an advisory role to the District with a shared goal of elevating student voices and leadership. High school students that are interested in working on the prevention of sex-based harassment and violence at school, who are looking to utilize their leadership skills, and who are passionately committed to this long-term process of change in culture and breaking stigmas around reporting are encouraged to apply [here](#)! The Council welcomes all students, regardless of their level of knowledge on Title IX.

Chromebooks after graduation-

12th grade 1: Web students will keep their Chromebooks after graduation. The BVSD IT Dept will remove the BVSD management software from the device (deprovision). This will happen in June after grades are finalized and your graduation is recorded in Infinite Campus. We do not need the device for this because the software is removed remotely. ALSO, please see options to either donate or recycle your device if you so choose.

Fee Reminder

The end of the school year is fast approaching, and we would like to remind you that Senior Students check out May 15-17, 2023. Please check your Student account in Infinite Campus Parent Portal Fees.

If your student has outstanding fees please make a payment online using RevTrak.

[Here is the link](#) for your convenience

Cash or check payments can be made at the Treasurer office.

If you have any questions regarding your student fees please contact the Treasurer at suyapa.koeller@bvsd.org

Food Delivery @ School

With the number of delivery services available, we have seen a rise over the past few years in students ordering food for delivery at school primarily during student lunch periods. However, we have also been having food delivered to the school while students are currently in a class, which is disruptive to the learning environment. If you know your student uses one of the food delivery services, please make sure that they know to not have anything delivered during class time. Thank you for your support with this.

Early Childhood Education courses entirely in Spanish

Starting in the Fall, FRCC is offering 2 Early Childhood Education courses entirely in Spanish.

These online courses are open to both adults and 11th and 12th graders.

Completion of ECE 1011 Intro to Early Childhood Education and ECE 1031 Guidance Strategies for Young Children lead to the Assistant Teacher Certificate.

Additional ECE courses in Spanish are planned for next spring and summer leading to full ECE teacher certification.

Students interested can contact Claudia (bilingual) at CareerandCollege@bvsd.org or 720.561.5182.

Interested adults can contact ECEenespanol@frontrange.edu.
