

Montgomery High School

Physical Education

Off Campus Permission Slip

Montgomery High School Physical Education classes are very fortunate to be able to take students off campus to expand curriculum choices and learning. Many of our units (Power walking, jogging, horseshoes, golf, and orienteering) can utilize community parks and facilities to enhance instruction. To maximize student safety and learning it is very important that students follow school policies, class rules and teacher instructions. If you have any questions regarding rules or instructions please do not hesitate to ask for clarification.

I, _____ (Student Name), agree to follow Montgomery High School policies, physical education class rules and teacher instructions. I understand that if I violate school/class rules or do not follow teacher instructions I may lose the privilege to go off campus with the physical education classes and or receive an F on the unit in progress.

Student's Signature

I give permission for my son/daughter, _____ (Student Name), to go off campus with the Montgomery High School Physical Education classes.

Parent's Signature
