Indian Head Elementary School

Message from the Principal

Thank you for all of the cards, gifts, food, and love that you gave to our teachers and staff this week for Teacher/Staff Appreciation week! Our staff works so hard every day to do the best they can for our students! It was great to be able to show them how much they are appreciated!

We have completed our MCAP Reading testing in grades 3-5 and celebrated Friday with an ice cream social and extra outdoor time to reward the students for their hard work! Thank you for making sure they got a good night sleep and were at school each day ready to test. We have one more week of testing. Thank you for your continued support!

Indian Head's annual Title 1 Summer Backpack event will be held on May 25th from 6:00-8:00p.m. Every child will receive a backpack filled with learning activities they can do over the summer to help prevent the summer slide. Please consider coming. There will be dinner (with RSVP), a Title 1 presentation, and outdoor activities and games. See the attachment below. We hope to see you there!

Ms. Shane Blandford, Principal

Monthly Core Value

Our core value is determination. Determination allows us to know ourselves and respect ourselves, too. Having goals and sticking by them helps us to show determination. There is nothing more empowering in life than to know that you can count on yourself and that you are capable of handling obstacles and sticking with it even when you want to give up. Determination is deciding it's worth it to finish what you started.
