Home Language Survey

The state requires the district to collect a Home Language Survey for every new student. This information is used to count the students whose families speak a language other than English at home. It also helps to identify the students who need to be addressed for English language proficiency. Please answer the questions below and return this to your child's school.

Student's Name: _____ **Grade:** _____

1. Is a language other than English spoken in your home?

No _____ Yes _____ If yes, what language? _____

2. Does your child speak a language other than English?

No _____ Yes _____ If yes, what language? _____

If the answer to either question is yes, the law requires the school to assess your child's English language proficiency.
