

# Senior Recognition Ads

## 2016 Grandview High School Yearbook

Honor your Senior in the advertisements section of our very special 2016-2017 yearbook. You may submit, photos, and a message of congratulations on a job well done for your Senior. Have some fun with them and submit those embarrassing baby photos you've been holding onto for this very moment!

You can purchase your ads direct using the form located on the back of this page or you can visit [www.yearbookforever.com](http://www.yearbookforever.com) and purchase using your CREDIT CARD! While you are there, purchase and reserve your copy of the yearbook as well!

On all ad sizes, you can place a message with your photos. You furnish the photographs and the message and the staff will design your ad. Do not submit photos you can't risk losing. You may submit a high quality color copy, but a photo is highly recommended.

so does a yearbook ad.**
