CUDS Bargain 2022

LETTER OF AGREEMENT FOR PROFESSIONAL DEVELOPMENT 2022-23

Training is a valued part of the job our drivers do each day. It is our goal to provide the highest quality of training for the Chimacum Drivers. This Letter of Agreement (LOA) sets for the terms and understanding between the Chimacum Drivers and Transportation Specialist and the Chimacum School District to establish training dates for 2022-23.

The above goals will be accomplished by undertaking the following activities:

CUDS members receive two additional required training days as follows:

- October 28, 2022 and March 17, 2023 are conference days where students are not in attendance. Bargaining unit members do not report to work on these days.
- Drivers will attend training in August 30, and August 31, 2022, for two days to make up for October 28, 2022 and March 17, 2023 conference days.
- October 27, 2022 conference day will be used for training and to review chain procedures for bus tires.

This MOU is at-will and may be modified by mutual agreement by the parties. This LOA shall become effective upon signature by the authorized officials from the Chimacum School District and its Drivers and will remain during the life of this agreement.
