

May 16, 2023

Dear Parents,

I hope I am writing with more good news! I think many of you have been eager to hear how the new position of Director of Student Services will be filled. I am happy to share that Todd Eckenfelder, our current Dean of Students, has accepted this position. (Clapping and cheering allowed!) Many of you know Todd in this role, in the many sports he's coached, or in his work with student council. He has his mark on just about anything having to do with our students.

This new position will encompass many of the same responsibilities with some expanded roles in advisory and on the administrative team. Please join me in celebrating this news!

Warmly,

Shelley Borrer Jackson
Interim Head of School
