Cleveland ISD regular board meetings are normally held on the third Monday of each month at 6:00 PM. When determined necessary and for the convenience of Board members, the Board President may change the date, time, or location of a regular meeting with proper notice.

Notice of a board meeting shall be posted on a bulletin board at a place convenient to the public in the central administration office for at least 72 hours before the scheduled time of the meeting. That notice or a notice posted at another board-designated place shall at all times be readily accessible to the public for at least 72 hours before the scheduled time of the meeting. Gov't Code 551.043(a), .051; City of San Antonio v. Fourth Court of Appeals, 820 S.W. 2d 762 (Tex. 1991)

If a district is required to post notice of a meeting on the Internet, the district satisfies the requirement that the notice must be posted in a place readily accessible to the general public at all times by making a good-faith attempt to continuously post the notice on the Internet during the prescribed period.

A district must still comply with the duty to physically post the notice in the central administration office and if the district makes a good-faith attempt to continuously post the notice on the Internet during the prescribed period, the physically posted notice must be readily accessible to the general public during normal business hours.

If a district maintains an Internet website, in addition to the other place at which notice is required to be posted, a board must also concurrently post notice of a meeting on the Internet website.
