RE: **2012-2013 1st SEMESTER DISCIPLINE REPORT**

BACKGROUND

The Board of Education annually receives a summary of first semester student discipline data which is both on this page and attached.

SUMMARY OF FINDINGS

Attached are 6 reports on OPRFHS student discipline statistics for the 1st semester of the 2012-13 School Year. Each report has a brief data analysis followed by the notated data tables. Below are two brief overview tables followed by a general summary analysis of what will be found in the subsequent reports.

The following table provides a summary at a glance of all infractions committed by each grade of students for 1st semester of this school year.

The following table provides a comparison of consequences issued during the 1st semester of the last five school years.
