

Get your child ready for kindergarten!

Waterford Upstart is an at-home early learning program that gives you free tools, coaching, and resources so you can put your child on a path to success.

Because **it's already paid for**, the only thing you'll spend is time with your child!

97%

of families recommend
Waterford Upstart!

What Do You Get?

On-demand program that covers reading, math, and science in just minutes a day.

Access to **high-quality learning resources** to help with the work you're already doing with your child.

Personalized coaching, and a computer and internet if you need them—all at **no cost**.

Why Should You Sign Up?

Every child should have access to early education.

You want to help your child **succeed**.

It doesn't cost anything, but **it's worth everything!**
